End Of

The Decade

As this decade approaches its closing months, it is inevitable that it will be evaluated scientifically, politically, and socially. Foremost, this decade has served as a transformation period; it has preserved the links of human interaction while opening the door to modern, space-age technology.

Worldwide, political positions have altered throughout the eighties. Relations gradually improved between the U.S. and the Soviet Union, while tensions increased in Central America and the Persian Gulf. Terrorist acts emerged as the prevalent factor in foreign policy. The Iran hostage situation provoked national outcries from American citizens. Yet, it is now commonplace for terrorists to hijack passenger planes and/or hold hostages until their demands are met.

Nationally, even larger disputes and scandals have erupted. Corrupt television evangelists stole the limelight along with their adoring fans' wallets. However, the PTL Club was not alone in this embezzling adventure. Maryland Savings and Loans suddenly collapsed when they lost their patrons' savings through risky investments and overall money mismanagements. In the above situations, it was the average citizen who lost in these financial fiascoes. However, a whole nation mourned for the subsequent explosion of the space shuttle, Challenger. Not only did NASA suffer tremendously from this setback, but also the families of the seven astronauts and the first teacher in space, Christa McAuliffe lost their loved ones.

The eighties has been a decade for many firsts. In the 1984 general election, the first woman, Geraldine Ferraro, was a vice-presidential candidate. More recently in the 1988 Presidential primary, the first black, Jesse Jackson, was cast as a Democratic presidential hopeful. In the sports scene, the 1988 Olympics stripped Canadian Ben Johnson of his medals due to the use of steroids.

Socially, the eighties has fluctuated between traditional moral values and fear. AIDS was designated an epidemic which coerced the nation to re-evaluate promiscuity. Surrogate motherhood along with the debate on the supreme court ruling on Roe vs. Wade have also been touchy issues.

Complexity is perhaps the most fitting word in the description of the eighties. Different individuals will remember various events. The nuclear disaster at Chernobyl, tabloid television, assassination attempt on former President Reagan, the gallant rescue of Jessica McClure, the Iran-Contra hearings . . . all of these are only particles in the composition of this decade.

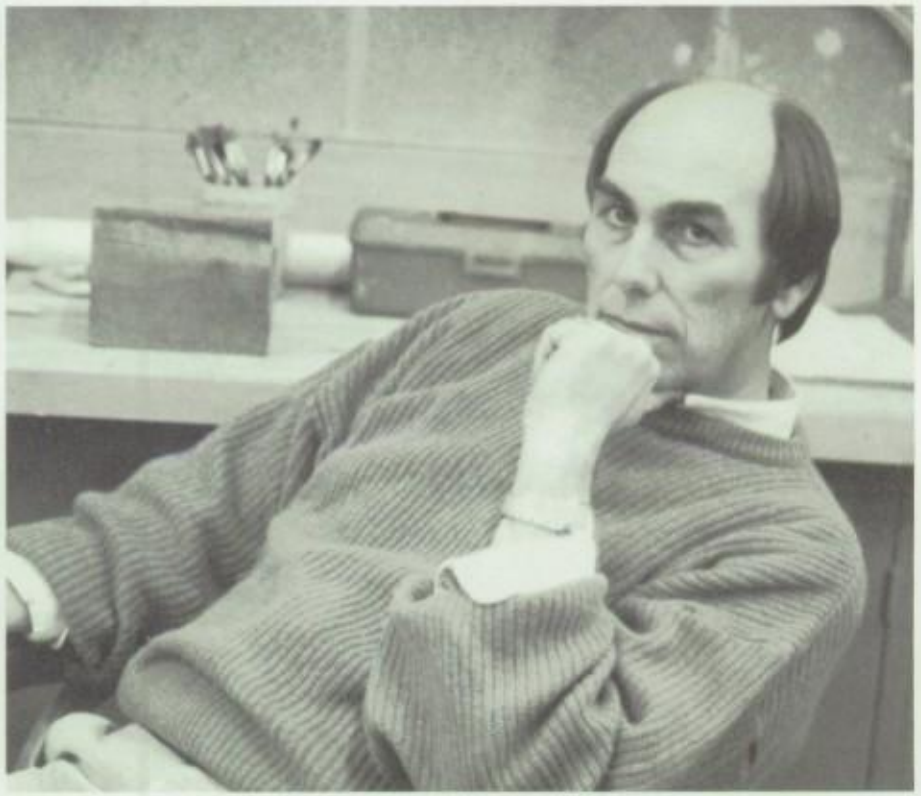

Likewise, Queen Anne's County High School has amassed memories throughout the years. Consequently, the theme "End of a Decade" will be enhanced by pictures from the past ten years on the divider pages. Keep in mind that pictures have documented the trends in fashion and apparel. Look for the change in hairstyles (and teachers)!

Queen Anne's County Superintendent of Schools Mr. John E. Miller

A Message From
JOHN E. MILLER
Superintendent of Schools

As you, the Class of 1989, graduate from high school, it marks the culmination of a thirteen-year learning experience. In that span of time you and we have worked together in an effort to prepare for living in a new age — a rapidly developing age the promises greater and unusual experiences. The 21st Century is hardly more than a decade away. In it you and others like you will live with technological and social advances scarcely visualized today. Remarkable opportunities will be yours to grasp and expand.

While you have been with us in the schools of Queen Anne's County, we have sought to develop a foundation on which you can build a viable future — a foundation of up-to-date knowledge and techniques, of abilities to initiate new ideas, to work with modern materials and sophisticated machines. As part of that educational process, teachers and administrators have given you the benefit of their experience to help you meet the challenges which lie ahead. Now we all join in wishing you every success as you move on into the world where those challenges, and their associated opportunities, are waiting.

Graduation Address — 1989

The Class of 1989 is a special class throughout Maryland. Special due to it being the first class to graduate under the new graduation requirements. Maryland still requires 20 credits:

- 4 — English
- 3 — Social Studies
- 2 — Science
- 1 — Physical Education
- 5 — Electives
- 3 — Math (new)
- 1 — Practical Arts
- 1 — Fine Arts

There are also 4 competency tests required in Reading, Math, Citizenship, and Writing. As you probably know Maryland has required a 5.5 holistic score on the writing test. This year it was surprisingly raised to 6.0 and since it is not a requirement for graduation, I am proud to announce that everyone in the Class of 1989 has earned the required 20 credits and has met the competency requirements of 5.5 on the State writing test.

This is also the first class to be presented with a Certificate of Merit. The requirements are 12 advanced or high level courses, one being an additional science, while maintaining an overall 2.6 or higher grade point average. In your program as noted, we have over 160 students who will receive the Maryland Certificate of Merit tonight. Also, in your program, you will notice our prestigious group of National Honor Society seniors. They have maintained a 3.3 grade point average or higher while participating in at least two school activities and community activities. We also have eight seniors with a 4.0 average for their 4 years in high school. The valedictorian having a percent grade of 97.1 for four years.

The Class of 1989 has had the opportunity of attending what many throughout the country have proclaimed as the most technical high school in the county. Although many schools are now beginning to gear up for high tech computer instruction, you have been very fortunate to have the exposure for the past 3 years. With our county's partnership with International Business Machines (IBM), we have been able to acquire the newest equipment on the market. The Board of Education developed a philosophy that the high school would receive the newest technology available because our graduates will be the first to come in contact with the challenges of high tech in almost every phase of work — in their automobiles and homes.

As the graduates know, we have two computer labs plus 140 newer models of IBM computers located in every instructional area. As our graduates may not know, we have had over 300 business and educational groups tour our building from as far as England and about 24 different states. We recently had a contact from Australia requesting our video and how our students are using computers. You have made this become a success.

Your class, as others, is very diversified in career selection: 160 graduates will be entering the work force; 10 will enter a branch of the military service; 90+ will enter two-year or technical schools, and 93 will enter four-year colleges or universities. Ninety-seven seniors have maintained a 3.0 or better average over the past four years.

Anyone who finishes high school with the feeling he can go no farther and that there are few places for him in life is mistaken. There are more occupations and opportunities available today than ever before. Technical training is available in the community and on-the-job. Loans and scholarships for college are offered by private foundations as well as institutions themselves. Investigate all possibilities before deciding that you are completely limited by your immediate circumstances or the future appearing bleak.

Our future looks bright tonight. As you have done in high school, you will make progress by overcoming obstacles, including anxiety and disappointments, and we will keep faith with what we have learned. You will proceed from here, not resting on the laurels you have won today, for later in your lives you will realize how much more there is to learn.

I want to leave you with 6 basic ways to make it in life:

1. Be ready. Take advantage of the opportunities when they occur.
2. Discover your mission in life.
3. Make the way you look at life your reality.
4. Be appreciative of what you have and work to make it better.
5. Be a person of discipline and love.
6. Look for lessons in life and be willing to continue to learn.

Whatever the path on which you are now embarking, and wherever it takes you throughout your life, you have already begun the process of becoming adults. Already you are becoming the kind of persons you hope someday to be proud and grateful to be.

As you imagine yourself to be, so in time, you will become. It's not where you start, it's where you finish that counts.

As Sir Winston Churchill stated in one of his most famous speeches which only had 5 words:

"Never, Never, Never, Give Up."

Good luck and may God be with you.

The 1988-89 school year has been great. We had many outstanding events. The Student Government Association planned many assemblies and pep-rallies for this year. The Seniors have managed to take all the victories of competition away from the other classes. Our student body has had the pleasure of hosting one of NASA's many representatives during an assembly. We are looking forward to having many more assemblies like that.

Fall, what does it mean to Queen Anne's County students? Well to answer that question, it means sports, sports, sports, and more sports. Fall sports consist of football, soccer, field hockey, volleyball, golf, and cross country.

Football is our biggest sport. Everyone looks forward to our homecoming game. It's our most attended game. Usually we play our most rivaled team.

Soccer and field hockey, what great sports! You get most of your exercise during these games. Volleyball, Golf and, Cross Country are strongly supported by our students.

As you can see, the students at Q.A.C.H.S. are very energetic and we enjoy it.

The 1988 Varsity Football team was led by head coach Dave Cooper and his staff, John Coursey, Merv Daugherty, John Haines and Donny Graef. This season could not be judged solely on the won-loss record. The end of the season brought a 4-6-0 record but also a feeling of accomplishment by the team. In the season finale, the team defeated arch-rival Broadneck and completed a three game winning streak. The team acted as a unit — equally sharing the defeat and glory. Senior players included Clay Wood, Walter Smoot, Aaron Miles, Jack Hallock, Jonathan Goff, Brent Thomas, Paul Gunther, and Gary Wilmer.

Coach Schipul is such a ham! He just loves to get his pictures taken.

The Football team is Ready, Willing, and Waiting to take charge.

Brent hands the ball to his teammate and his teammate knows just what to do.

Okay, who wants this pigskin?

What great position he has.

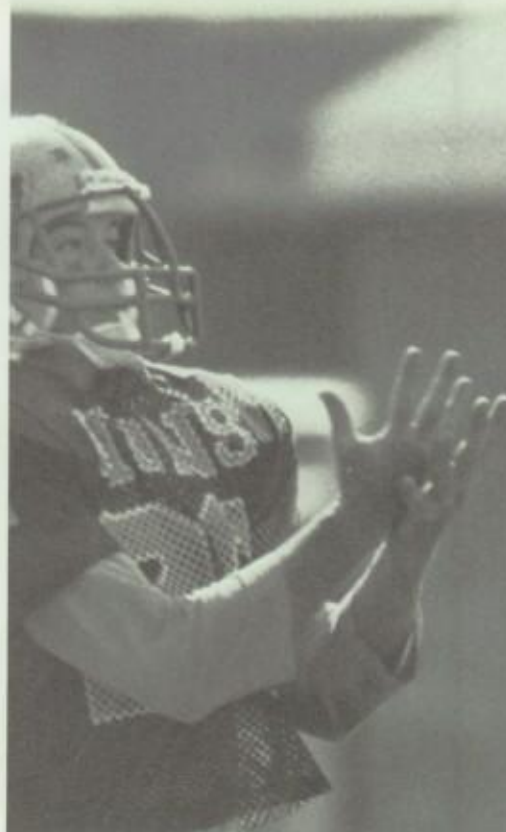

Chris looks and runs during a spare moment.

Come on guys, get off my back. My team needs this victory.

Another one bites the dust!

The Patriots are so generous they just let us have the ball with no discussion. And of course we thank them for that.

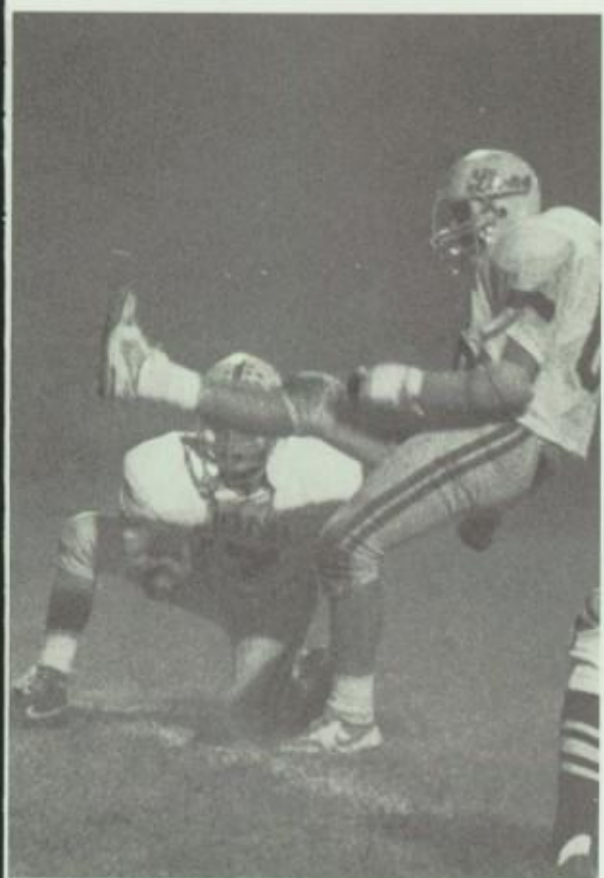

Oh! No! I hope he doesn't hurt him too badly.

Kevin, a great protector, helped lead his team down the field to their victory.

Aaron knows exactly how to tuck the ball in so no one will take it away.

I am sure that ball went far.

The Other Foot-ball

1. Roy Lambden played an aggressive game.

2. Matt Nowicki shows us some of his talented moves.

3. Buddy Klepper waits anxiously to go into the game.

4. Jeff Leigh gives us the "INNOCENT" look.

5. Jason Ruth takes the ball on down the field looking for a goal.

6. "Quick, give me a drink!" says foreign exchange student Leif Ericsson.

7. Don Humphreys attempts to steal the ball from the opposing team.

8. David Terry and Merv Sparks want to get a "foot" on the ball.

CROSS COUNTRY

Aching feet and a pounding heart — the hallmarks of a cross country runner. This year's cross country team ran to a very successful season. The girls finished the season with a 10-2 record while the guys finished with a record of 9-3. Under the coaching of new head coach, Mr. Pollock, the Lion runners overcame injury and exhaustion to qualify 10 runners for the state track meet. Many of the younger Lions gained experience here which they can use next year.

The loss of five SENIORS — Jenny Boone, Janet Diedrick, Donny Heyer, Adam Filbert, and Tim Farrar — will be a loss of experience. However, the team looks forward to a continued success with even more victories in the next season.

The Varsity Volleyball Team finished their 1988 season with a record of six wins and eight losses. Comprised of three seniors, six juniors, and one sophomore, the team was consequently young and inexperienced on the varsity level. However, coached by Mrs. Patti Burton and led by team captain Sharon Bolt and Kim Welch, the team achieved a very respectable record. Kim Welch was credited with excellent serving while Barbara Bennett was complimented on her net play. Heather Pitz led the back court with her excellent defensive play. The leading spikers for the team were Ingeborg Berg, Barbara Bennett.

LABUTE
COACH

Leah and Kathy prove that a friendship can last forever!!!

This year the Varsity Cheerleaders have succeeded in becoming a squad with a tremendous amount of unity. The squad for 88-89 consisted of six new cheerleaders. Nevertheless they worked very hard to achieve their goals. At Stroudsburg Sports Camp, they placed second in grand champs competition. Towson is awaiting their arrival this year for a grueling competition between cheerleading squads all over Maryland. This squad has fought for what they wanted and has changed cheerleading from an activity to a sport. The seniors that will be remembered for this are: Leah McCoy, Kathy Reynolds, Abbie Sweigert, Nicole Eason, Missy Young, and last but not least, Dave Freeman. They owe it all to their coach, Lisa LaBute for a job well done.

Top Row: Leah and Missy. 2nd Row: Sphinxxy, Abbie, Nicole. 3rd Row: Dave, Angie, Bob Sue, Sandie. Fourth Row: Ginny, Tracie, Dana, Pam, Samantha.

Words Of Wisdom

I Leah McCoy being of spirited mind and strong body, hereby bequeath the 89-90 Varsity squad the power to fight for what you want and to win competitions! To Bobbie Sue, I leave the memory of the fun Hardees night in the rain! To Angie, the ability to spray aerosol cans. To Dana, I leave the ability to eat junk food. To the Spam twins the ability to depart from each other. To Sandie, the enthusiastic voice of Tammy. To Ginny, the strength to withstand the pain of being a base. To Tracie, the ability to wear white. At last, I would like to say, I luv you guys always!

I Missy Young being of sound mind and body, do hereby leave the entire squad great memories and spirit forever! To Pam and Sam I leave new work-out suits for camp. To Dana a Mickey Mouse Sweatshirt, Traci a new toe ring, Sandy a new T-shirt to dance in, Ginny white socks with her initials, last but not last Bobbie Sue and Angie the ability to work together! Work hard and have a great year!

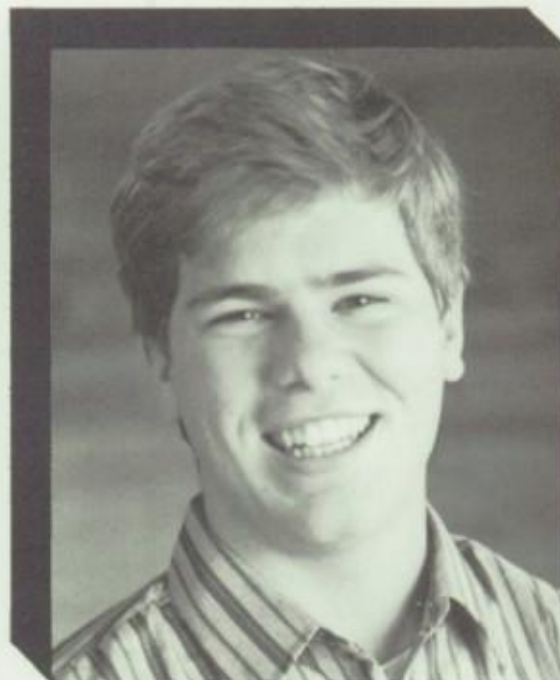

Friends

"Friends are friends and friends will always be, together we will cheer so faithfully. Cheerleaders we'll always be, till we meet again!" I.C.F. FOREVER!

I, Kathy Reynolds being of spirited mind and a dancing fool of a body, do hereby leave the 89-90 Varsity Cheerleading squad the abilities to exceed as an ultimate cheerleader. To Angie I leave the ability to never cut her long hair. To Bobbie Sue, the ability to do those awesome stunts. To Dana I leave all the health nut food in the world. To Ginny I leave a big megaphone for when laughs. To Tracie, the ability to gain weight. To Pam and Sam, the ability to separate at birth.

I Nicole Eason, being of spirited mind and petite body hereby bequeath the new Varsity squad a funfilled and successful 1989-90 year. I leave Tracie the ability to take my place on top of all pyramids and to be brave! To Bobbie Sue and Angie, I leave the memory of the chase of the killer bikers in the parking lot. I leave Dana my drivers license to get to games and practices. To Sam and Pam I leave a long lasting friendship. To Ginny and Sandy I leave the ability to strive for teh best, you deserve it. I wish the new Varsity squad luck and I'll never forget you!

I, Abbie Sweigert, being of cheerful mind and sound body do hereby leave the 1989-90 cheerleading squad the ability to do their very best! To Bobbie Sue, the "Camp Fight" and all the good times. To Angie, "the faking of the BOGUE." To Dana, her own teddy bear and her own bed. Sandy, I leave "WE belong." To Ginny, "the back" to be a base. Pam and Sam "initiation outfits." Tracie, clear fingernail polish and a toe ring. Overall I would like to say you all made my senior year an awesome one and I hope the years ahead of you will become awesome too.

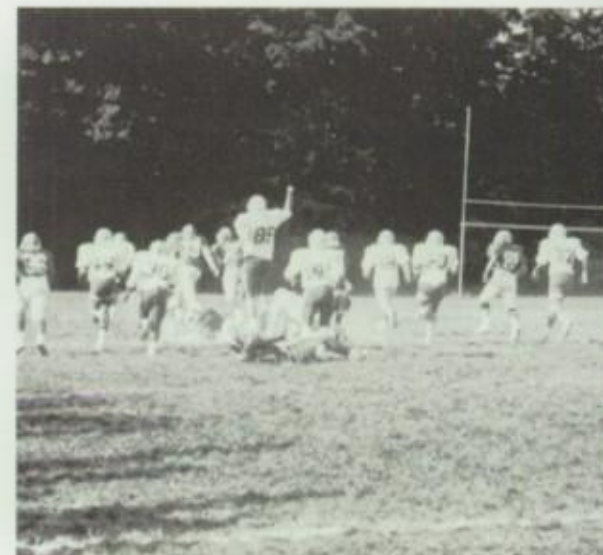

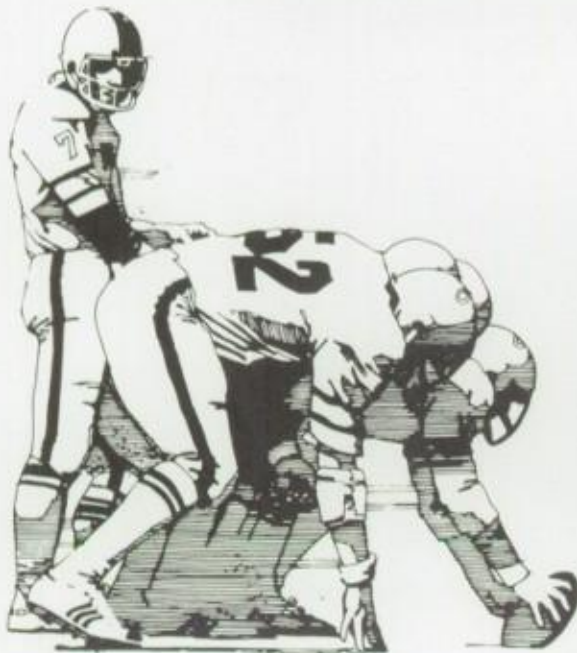

I David Freeman, being of sound mind and body, do hereby write my last will and testament of my senior year as a Varsity cheerleader. To my beloved coach Ms. LaBute, I bequeath all my riches, which, if you can find, you can have. To Kathy, Abbie, and Nicole, I give the desire to continue. To Angie, Bobbie Sue, and Dana, I leave my strength and power to perform awesome stunts. Finally, to Sam, Pam, Tracie, Ginny, and Sandy, I give the spirit, endurance, and hope to survive as a cheerleader.

A Winning Season

Playing the Field

J.V. Field Hockey

The 1988 Junior Varsity Field Hockey Team was coached by Mrs. Thomasina Fabri. Mrs. Fabri was extremely proud of her young team. Twenty-three of the girls had been previously unfamiliar with the game. The team boasted of a win and a tie, yet at the same time accomplished its main objective of instilling confidence and experience into the team for advancement to the varsity level. Selected by the team, the three captains were Tina Benson, Heather Humphreys, and Kelly Todd. Overall, Mrs. Fabri felt the team had made great strides in polishing their techniques.

It appears that 90% of this game is spent chasing after a stupid ball.

Far Left: Learning croquet is a good way to practice for field hockey.

The 1988 Junior Varsity Volleyball Team experienced a re-building season this year. Six of the nine team members were freshmen while the remaining three were sophomores. In JV play, a match consists of the best of three games. The JV Lady Lions took four of their eleven losses to the third game, and nearly upset Severna Park in the third game.

Team captain, sophomore Jenny Wicker, executed well her job as setter and floor organizer for the young team. Throughout the season, the girls improved their personal skills and team play under the coaching of Mr. Bargiband. The team anticipates a winning season next year as all players plan to return.

Co-Captain of J.V. cheerleading, Lisa Haschert, has a smile of confidence for her team.

J.V. CHEERLEADING

The new Junior Varsity cheerleading squad started off the new year with a well-deserved award of Grand Champs at Stroudsburg Summer camp in Westchester, PA. The squad has nine new members in addition to three two-year members. They have worked very hard to achieve the unity and spiritedness that are characteristics of a top-notch squad. They give many thanks to their wonderful coach, Ms. LaBute, for being the best!

Captain of J.V. cheerleading Kerri Cummins knows the job of captain is tough one.

President of the ninth grade class is Jennifer Glidden; Vice-President is Alissa Jones; Secretary is John O Niell; Treasurer is Michael Quirk and Historian is Joanne Nickerson

This year as ninth graders we've learned many new and exciting things. As the year progressed we learned to deal with some of the things that are thrown at ninth graders such as:

- putting up with pushy upperclassmen,
- dealing with what they call a school lunch,
- the hassle of shuttle buses,
- not hearing about important things,
- not being included or being last,

Some highlights of ninth grade have been:

- making a bunch of new friends,
- seeing lots of old friends,
- and having lots of fun.

The following words and phrases describe life as a Freshman at the Kennard Annex: the long hall, strange foods, being bussed from one school to another, functional tests, making new friends, being cool, Mrs. Draper, assemblies at the main building, following rules, three more years.

Look at me! Look at me! I'm drug free!

Just me and the girls hanging out at the gym.

Come on Jen, give us that pretty smile! Where are those pearly whites?

Julie and Nicole take some time out of valuable learning experiences to pose for a candid shot.

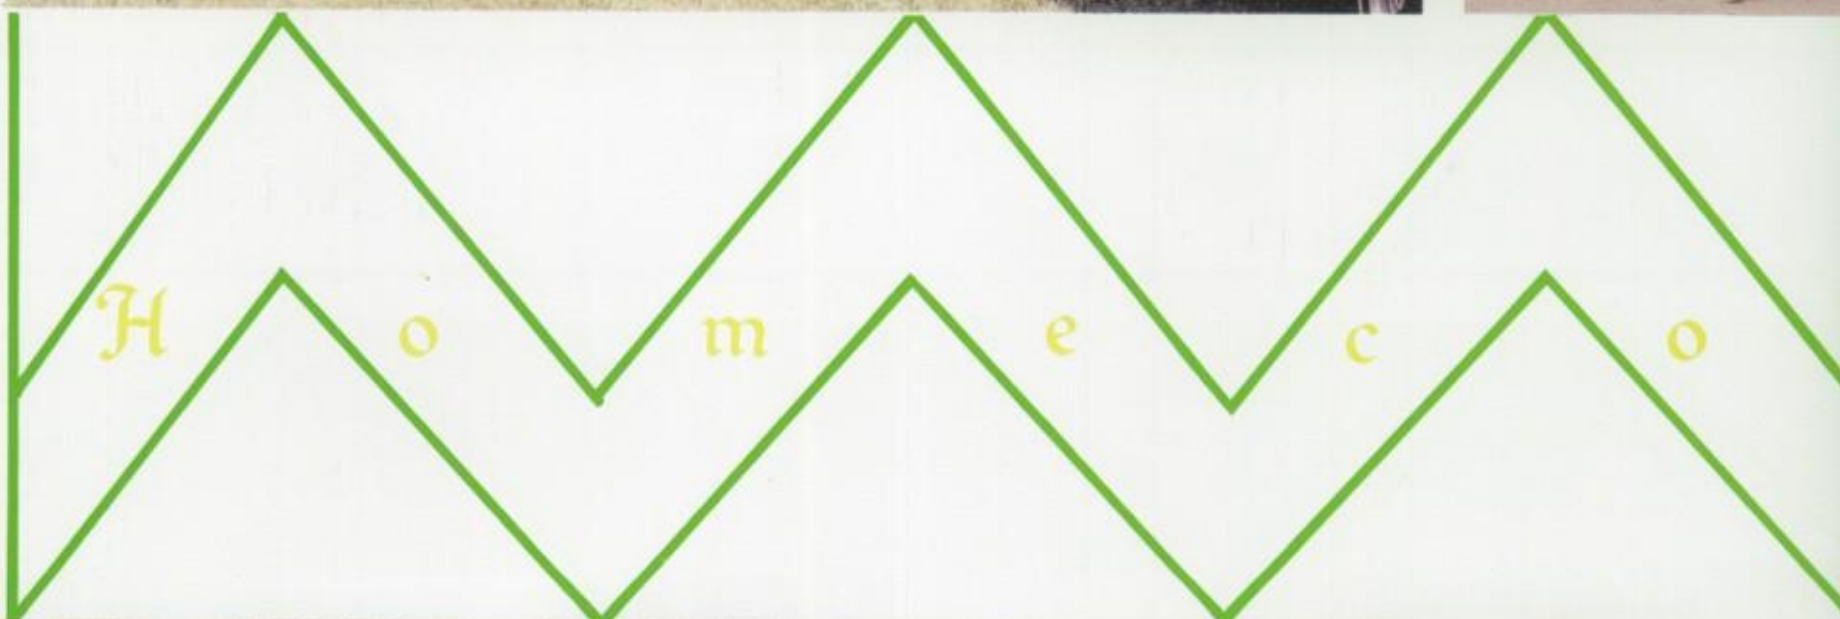

Wow! These halls seem longer and longer as the countless days go by.

Hey sexy. Can I walk you to class?

Left: Seniors won first place in the class float competition. The theme was, "We're Raisin' the Roof." The California Raisins turned around.

Left: The Juniors placed second in this year's class float competition in the homecoming parade.

Right: The class of '91 had a spirited float entered in this year's homecoming parade, but unfortunately did not place in the competition.

Above: This year's homecoming king and queen were, Jim DiDonato and Kristy Barnette. Jim and Kristy pose for our photographer before they go and watch the Lions play the Patriots.

Below: All the players walk around in a daze after piling up on the football for a fumble.

Below: The Lions are ready to advance ten yards for another first down.

Above: The mighty Lions gather to plan their next moves against the Patriots.

Above: The Lions give it all they got, as they put up a good fight at the 25 yard line.

Once again the student government at Queen Annes pulled off a successful Homecoming weekend. After a week long slate of activities, the weekend started with the Homecoming parade on Saturday, October 8th. This year's parade was the longest in history with over an hours worth of floats, displays and bands. After the parade, the mighty Lions met defeat at the hands of the Old Mill Patriots. Undaunted, the students continued the day with the band dinner and the Homecoming Dance. The band at the dance was the group named "Cry Monday."

Above: A group of friends take time out to gather and pose for our photographer.

Look there you are in Mr. Newton's class!
Look at you trying to appear studious.

Hey, you guys, could you kindly put down the
camera and give me a hand with these year-
book books.

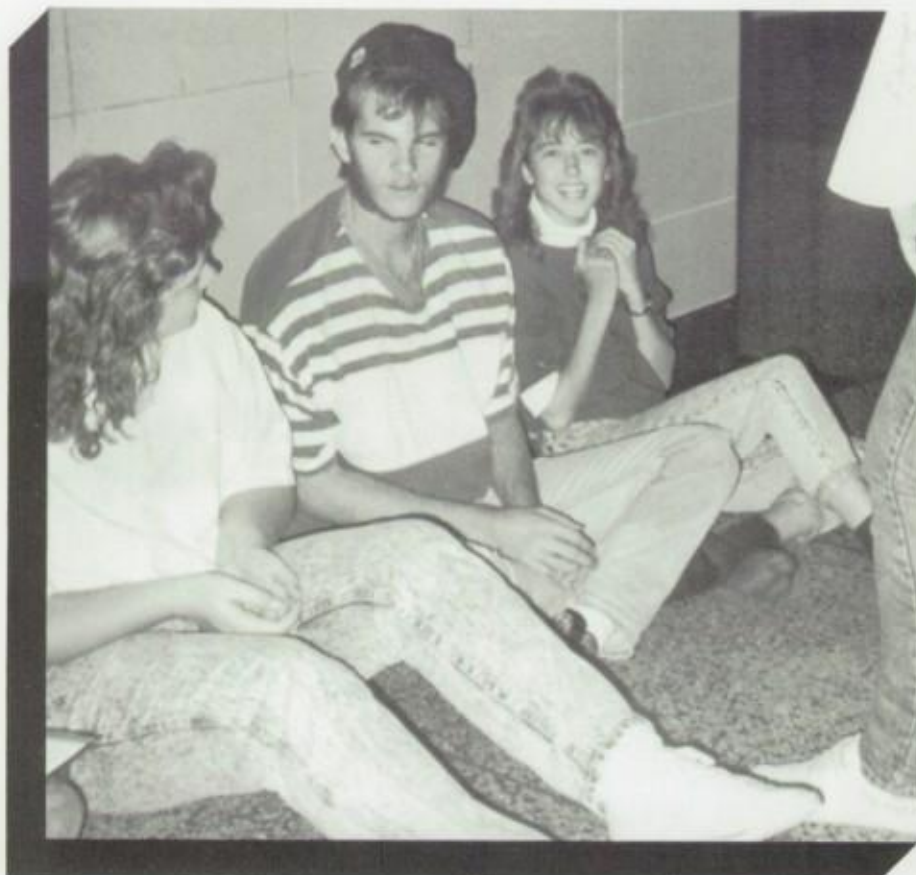

How It

Lisa and her friends sit on the side watching
everyone go by with their yearbooks. They are
reminiscing about the fun things that happened
last year.

Visit With a Prime Minister

Students representing all of our county schools greeted Prime Minister Margaret Thatcher with song.

Superintendent, John Miller presents a gift to Mrs. Thatcher.

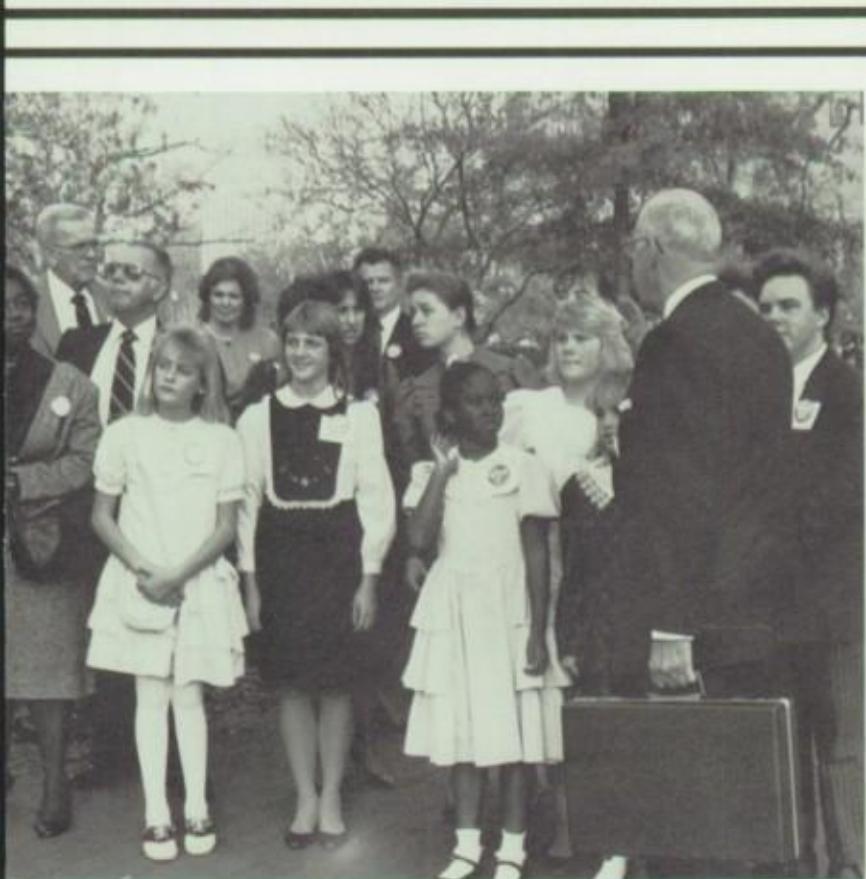

Above: Students rehearsed the song, "Accentuate the Positive" to sing for the Prime Minister, since this was also the theme song of her administration.

Right: President of the Board of Education, Mrs. Faye Williams presents Mrs. Thatcher with a pin that shows the logo, "Accentuate the Positive."

Left: Prime Minister Thatcher thanks the Queen Anne students for their participation.

Members of the BBC interviewed several of the students for a special to be shown on the British Broadcasting network.

Mr. Don Chown, coordinator of the event, advises the group before their entry into Blair House, the guest quarters for Mrs. Thatcher.

Students from all grade levels were taken to Washington to be introduced to Mrs. Thatcher.

It was with great pleasure that the leaders of our school system discovered that the theme of the administration of Prime Minister, Margaret Thatcher was the same as the theme of the Queen Annes County School System. So much much ado, a group of students from our county was invited to meet with the Prime Minister from Great Britain to "Accentuate the Positive" together. After presenting Mrs. Thatcher with several presents that showed the "Accentuate the Positive" logo, the group of students sang the song of the same title that was made popular in the 1940's. With the students on that day were Mr. John Miller, our superintendent and the members of the Board of Education. Mr. Don Chown arranged for the trip and Mrs. Nancy Cook directed the student singers.

Even teachers show their spirit by dressing up like country bumpkins!!

As we go back in time to the 50's we see that some of the styles are the same as some of the styles today.

With pencil and paper in hand Miss LaBute waits for the bell to ring.

THE 1988 ELECTION WAS FOR THE ENTIRE COUNTRY, INCLUDING THE STUDENTS OF QUEEN ANNE'S COUNTY HIGH SCHOOL. THE CANDIDATES RUNNING FOR PRESIDENT AND VICE-PRESIDENT, U.S. SENATOR, AND U.S. CONGRESS WERE PORTRAYED BY SENIORS WHO GAVE THEIR CAMPAIGN SPEECHES TO THE ENTIRE SCHOOL. THE STUDENT BODY THEN VOTED ON THE CANDIDATE OF THEIR CHOICE.

ELECTION

Aaron and Tracy Miles show their interest for the campaign.

Republican presidential candidate George Bush "Ronald Walters" makes his way through the crowd.

Republican Vice-Presidential candidate Dan Quayle "Gary Sparks" makes his speech.

The heart of the Republican campaign manager, Mike Dillon.

Republican candidate for Senator Alan Keyes "Spencer Wilder" gives an outstanding speech.

Republican candidate for congress Wayne Gilchrest "Debbie Kurtz" takes the stand.

Brent Thomas, Rita Jackson, and Dawn Skinner show their support for the Bush and Keyes campaign.

The mock election candidates Gene Ransom, John Payton, Don Humphreys, and Adam Filbert pose for their picture.

THE RESULT — GEORGE BUSH "RONALD WALTERS" AND DAN QUAYLE "GARY SPARKS" FOR PRESIDENT AND VICE-PRESIDENT, REPUBLICAN CANDIDATE ALAN KEYS "SPENCER WILDER" TOOK THE VOTES FOR SENATOR, REPUBLICAN CANDIDATE WAYNE GILCHREST "DEBBIE KURTZ" TOOK THE VOTES FOR CONGRESS. THE RESULTS OF THE SCHOOL ELECTION DID NOT DIFFER MUCH FROM THE NATIONAL ELECTION HELD NOVEMBER 8, 1988.

Jennifer Brodsky, Debi Baumgardner and Donna Mayberry show their interest in the election.

Democratic Presidential candidate Mike Dukakis "Don Humphreys" puts a smile on his face as if he has already won.

The inspiring leader of the Democratic campaign Adam Filbert previews the Dukakis speech.

Democratic Vice-Presidential candidate Lloyd Bentsen "Adam John Payton" gives his speech.

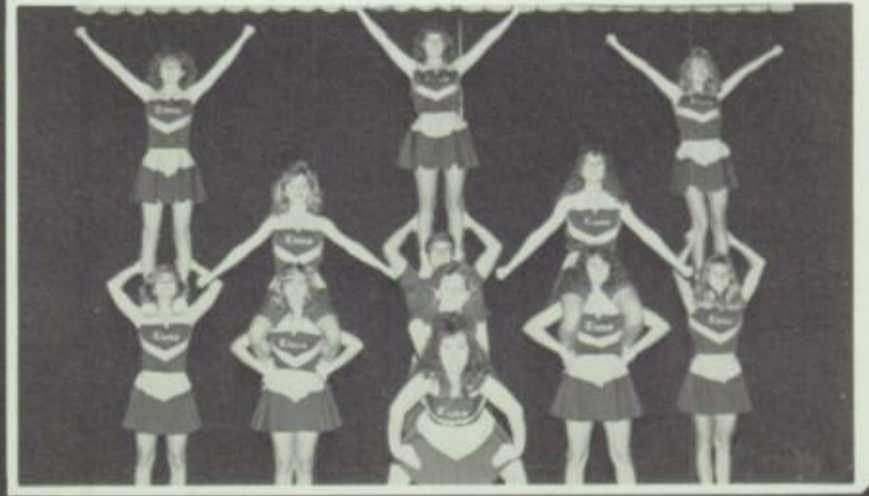

Democratic candidate for Senator Paul Sarbanes "Gene Ransom" moved everyone with his speech.

These are the many people who support the Gilchrest campaign.

The 1988-89 Varsity Boys Basketball team finished their regular season with a 5-15 record. This earned the team a position in the playoffs. Even though the record does not reflect it, the team embodied the true desire to play basketball. The team was led by their captain, Joe Skinner. Coach Newton is extremely optimistic about his prospects moving up from J.V., the outlook is especially promising. The team hopes to improve their basketball skills for the next year at a summer basketball camp.

Hey! You can't hoard the ball like that. Give it back now!

For the first time, the high school offered a complete weight-training, flexibility, and endurance program after school. Under the leadership of Coach Cooper and Coach Breslin, over thirty boys ranging from grades 9 to 12, participated in the comprehensive program.

After a well run stretching session, the boys would go through a circuit program designed especially for them. Incentives we have provided were club memberships and T-shirts. While most were athletes training for upcoming sports, some participants simply wanted to get strong and feel better. For all involved, the program was a complete success.

Far Right: I think I can, I think I can!

Is he trying to make a statement?

Desi starts his training with a smile.

Up With Weights

Concentration is the key to success.

Far Left: Thank God it's almost over.

Lately, a rather lengthy list of new terms has come into existence. Examples of these words are free weights, bench press, nautilus, universal, incline bench, leg curls, barbells. What do all of these words have in common? They are part of the newest fitness craze, weightlifting. Although weightlifting has been around for many years, only in recent years has it enjoyed the popularity that we are now seeing.

In our school, weightlifting can be seen in gym classes as well as part of the program for the football team. There is also a weightlifting club that operates for those students who want to stay fit throughout the year. Each year, the club sponsors a lift-a-thon, in which students compete against others. Some of the students who are actively involved are Mark Thomas, Eddie Stockhauser, Rob Curtis, Clay Wood, Doug Coldwell and Mike Malczeski.

Middle: Mark shows his fellow weightlifters how easy it is.

Grrr!

Coach Cooper stands by in anticipation.

The Future

Back Row: Ben Buchanan, Derek Greene, Reggie Carter, Denny Lowe, Jerome King, Carlos Castro, Steve Usliton, Danny Booze, William Cooper, Dave Sudler, Richard Bates, Jonathan O'Neal, Mr. Keeney. Front Row: John Demby, Dan Ward, Rick Turowski. Missing: John Nickerson, Jermaine Thomas, Stan Kounas.

The 1988-89 Junior Varsity squad finished the season with a 4-16 record. Despite the final tally, outstanding accomplishments were shared by the team. The squad won their last three games by an average of twenty-four points.

The trio of captains for the school year were Rick Turowski, Jonathan O'Neal, and Jermaine Thomas. The team, overall, grew even though it lost players to varsity team and suffered key injuries. Yet, Coach Pat Keeney is optimistic for the next season as he feels the team will be experienced and talented.

Okay! Let's play catch, instead of Basketball.

Hurry up and get this over with, I've got things to do!

BOYS JUNIOR VARSITY WRESTLING

The J.V. Wrestling Squad completed the 1988-89 season with a 8-4-1 record. The sole team captain for the squad was J. R. Skinner. Coach Pat Pollock was pleased with his team's overall performance. As he looks to next year, he foresees another young team as many J.V. wrestlers will move to the varsity level. However, he concludes that it will be a strong rebuilding year.

Wait a minute, does my hair look okay?

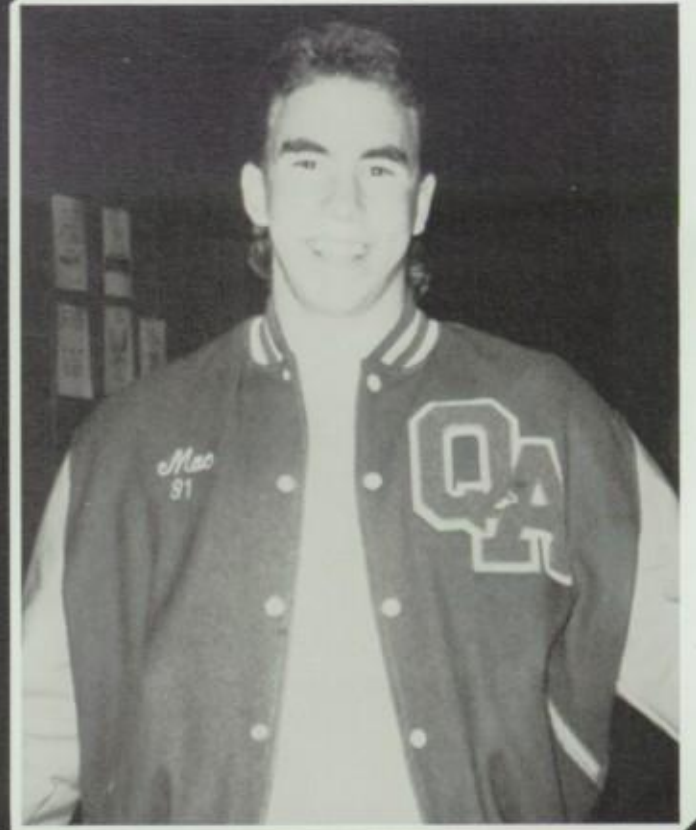

Hey! What do you think you're doing? Did I say you could take a picture?

Hmm . . . maybe I should start my own modeling career. Hmm . . .

Could this be one of our J.V. wrestlers?

If you come any closer, I'm going to have to get mean! I mean it! Don't come any closer.

Class Officers for the tenth grade are: Samantha Adams, Todd Graham, Arlene Haley, and Dina Hutchison.

The Class of 1991 began this school year with a 3rd place finish in the Homecoming float competition. We achieved this goal with our float "Ruling Over the Patriots." The next task for us was the class play competition. Although we did not do well in judging, we were the only class that wrote their own script.

Throughout this entire year, the class has been sponsoring many fundraisers. We have sold Homecoming and class buttons and organized a number of sales. Of course, there are many fund raisers yet to plan as the class is planning ahead for next year's prom. Already ideas are circulating . . .

The sophomore class has been a class of ambition. Fortunately, we have always been able to look to our advisor, Mrs. Hunter, for any assistance. We look forward to next year and intend to construct one of the best proms.

The 1989 Mock Trial Competition began in earnest during the month of January. It was at this time that the social studies teachers delivered the case analysis and the rules of the competition to the senior and junior classes that wished to participate. After a full day of rule explanation, two weeks of preparation and a dose of stage fright the mock trial teams were ready to go. There were eight teams in this year's competition and only two teams were to emerge victorious. Although not all students who entered would continue on to compete with other schools, all who were involved learned a great deal about our system of justice.

Front Row: Challice Gunther, Dave Medicus, Ryan Johnson, Chris Williams, Paul Gunther, Buddy Klepper. Back Row: Coach Hyde, Brian Pinder, Jarvis Cain, Bill Barnes, Gernell Thomas, John Nickerson, Aaron Miles. Not Pictured: Bob Lowther, Kevin Barney.

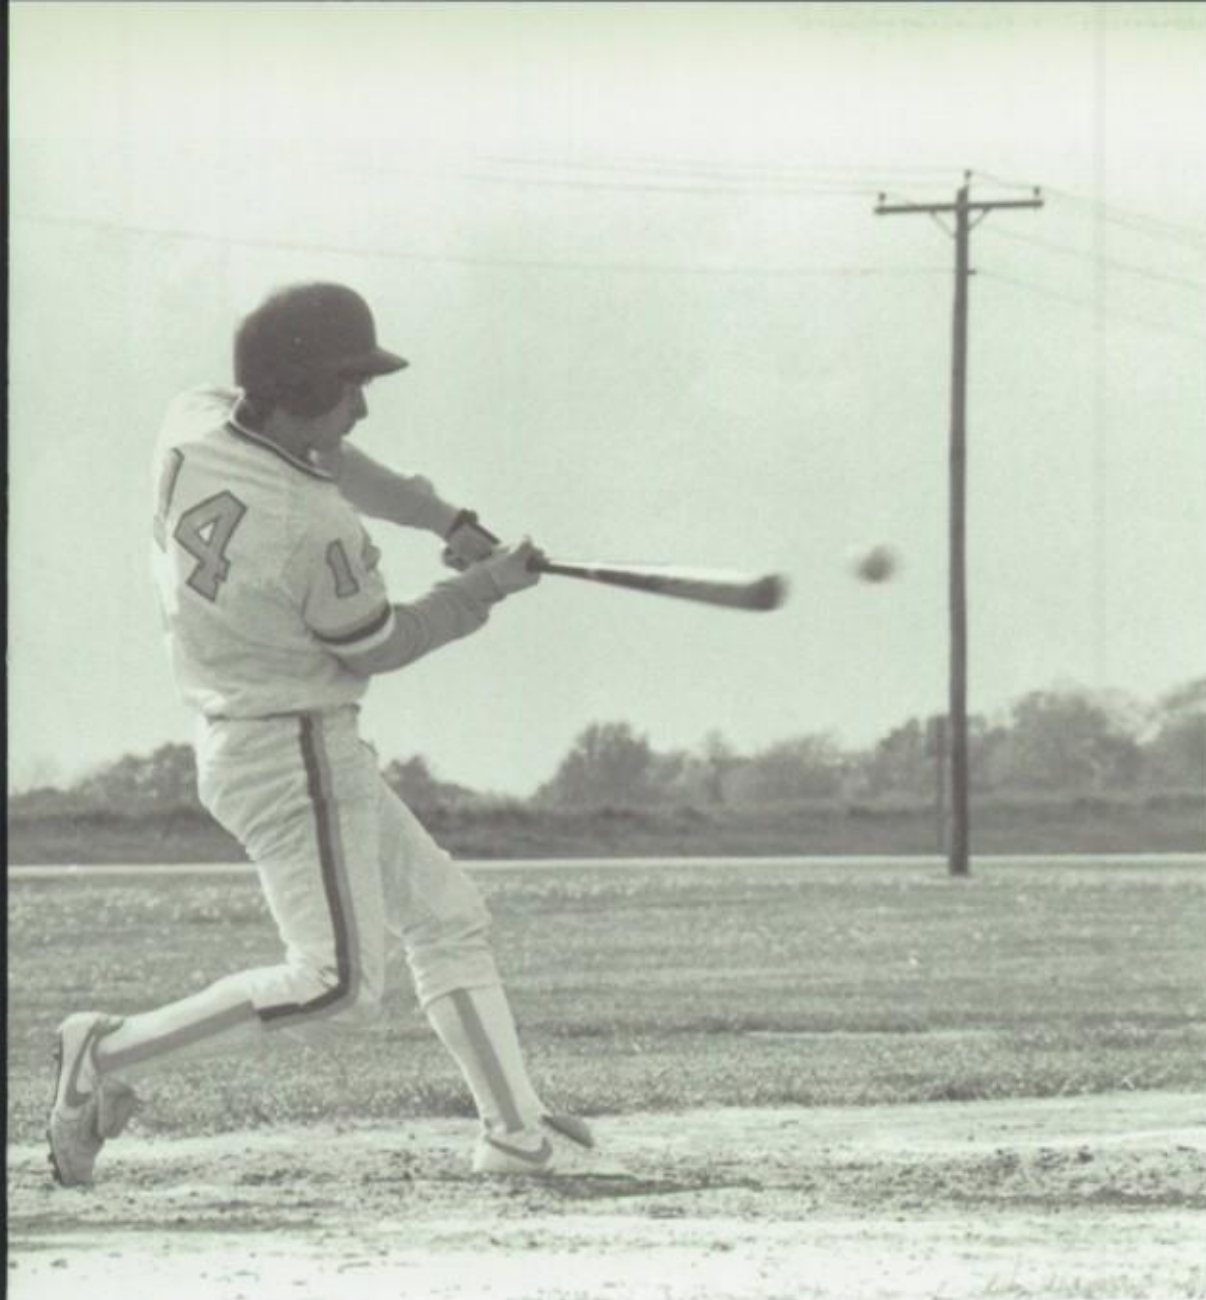

Left: Jarvis Cain is the picture of speed as he approaches home plate and a home run.

And It's a Long Fly Ball

Challice Gunther is ready to add another run to the mounting score, as a contented Coach Hyde looks on.

The 1989 baseball team finished its season with a record of five wins and nine losses. After losing six of their first seven games, the Lions won four of the last seven to move within one game of reaching the regional playoffs. Due to inclement weather, the team was denied the opportunity to advance. The team was led by seniors, Buddy Klepper and Brian Pinder, juniors, Chris Williams, Danny Petrone, Ryan Johnson, Jarvis Cain, and Challice Gunther. Overall, seven Lion regulars finished with a batting average of over .300. Pinder was named the team's most valuable player, Williams was the best offensive player, Klepper was the best defensive player and Cain was awarded the coach's award for outstanding contributions to the program.

And it's out of here. Chris Williams belts a long one out of the ballpark.

Carefully watching every move the pitcher makes, the runner prepares to advance to second base. A possible steal? Or is this to be an easy out? With the steady concentration that this player shows, it is inevitable that he'll add another base to his credit. Keeping the eye on the ball and using good judgement is the essence of a base hit. This picture shows that the ball will be a bit low, yet Ryan Johnson may squeak by with a base hit.

Playing The Field

Pitcher Brian Pinder proved that he could be outstanding as a hitter as well.

Above: With a mighty swing of the bat, another run can be added to the Lions score.

Right: Coach Hyde grimaces from the dugout as a Lion batter swings and misses. Don't worry, he has two more tries.

Top: It's not even close as the runner slides into home plate.

Left: It's out of there. Once again, a Lion run may be scored.

Above: Another Lion runner crosses home plate to add to the mounting score.

Left: Buddy Klepper was an outstanding player for many years on the team.

Right: Ready and waiting, the Batter-up prepares for his turn.

Why Would Indians Play This Game?

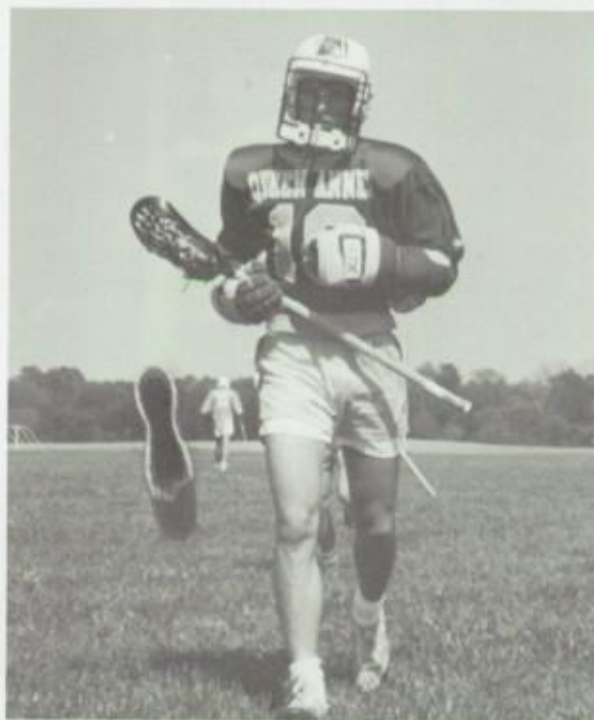

Several lacrosse players are on the move during a game. Sorry, but no team picture was made for the 1989 school year.

Right: Mason Platzke rushes off the field to receive advice from his coach.

Far Right: Ryan Thoma decides that 30 seconds into the game is enough to build up a thirst.

Bottom: The entire team plans their strategy at the beginning of a game.

All alone and ready to play, this Lion player wonders if anyone else wants to play the game.

Part of a great team is the goalie on duty.

Number 24 races down the field with the ball in hopes for a goal.

Number 11 is in a mad rush to escape his opponents before it is too late.

Billy Walstrum glares from behind the mask of this dedicated lacrosse player.

While the rest of the team watches, the Lions score goal after goal throughout the season.

Going, going, gone! Where has the ball gone?

Prayers will always help, but it's time to get on the field.

Jessie Hammock and Jon Goff show off the long sticks of defensive players.

If nothing else works, then you beat them on the head.

David MacGlashan is seen going in for the score.

Seen in this picture are #9, Matt Willis; #28, Ryan Thoma; #1, Bill Walstrum; #13, Mason Platzke; #7 Ryan Seth; #17, unknown; #35, Eddie Alexander

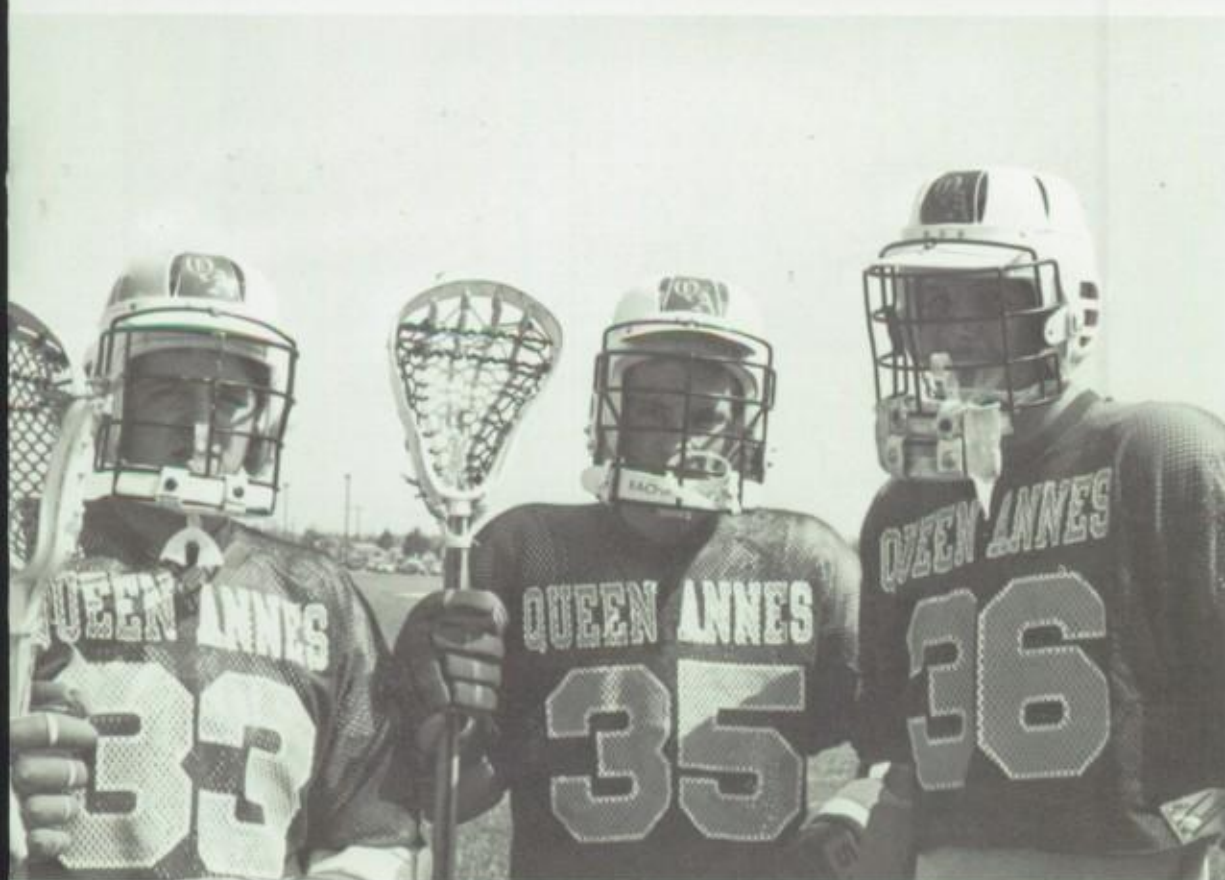

Far Left: Ryan Seth stands ready to meet his opponent.

Number 14 moves aggressively against the goalie.

Bottom: Waiting for their turn to play are David Hoofnagle, Eddie Alexander and Gary Wilmer.

Above: Matt Willis shows his offensive moves during a game.

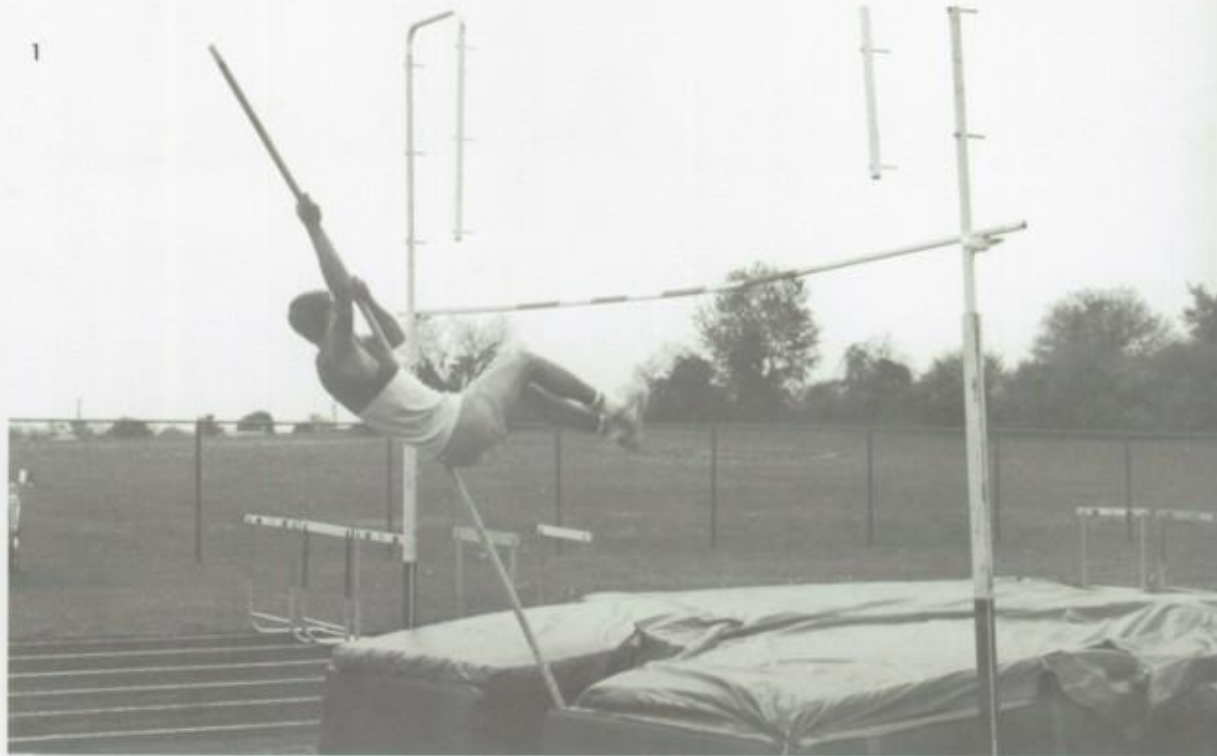

The 1989 Lion's lacrosse team was one that earned a great deal of respect. The amount of respect can not be measured in the overall record for the season of two wins and 10 losses. Arundel High School dominated the region as the only state runner up in the field of ten schools, however the Lion team caused them great concern as they posed as their only real competition.

Congratulations to award winners, David MacGlashan who won the Eagle award and Mason Platzke who won both the Hoover and Enforcer awards. A special thank you goes to the graduating senior co-captains, David MacGlashan, Edward Alexander, Don Heyer and Gary Wilmer. Other senior members included Bill Walstrum, Chad Helfenbien, Mason Platzke, Chip Voelker, Bill Licata, Jonathon Goff, and David Hoofnagle.

Boy's Track

1. It's up, up, and away as Chuck Brasfield clears the bar in the pole vault.
2. Working hard as the coach of the track team is Mr. Nesbitt.
3. Before any practice session, those stretching exercises are most important.
4. After each measuring for the distance, the pit must be raked smooth for the next jump.
5. Will he make it? Chuck attempts the high jump.
6. Scott Boone becomes part of the crowd that makes it's way toward the finish line.

1. Back Row: Chuck Brasfield, Ed Thomas, Coach Nesbit, Tim Farrar, Donovan Cann, Neil Gibson, Paul Willard, Jason Ward. Kneeling: Robert Thomas, Scott Boone, Jermaine Thomas.

2. Ed successfully passes the baton to the next relay runner.

3. Paul Willard goes the distance in the long jump.

4. Jermaine Thomas easily clears the bar in the high jump.

Council, Tara Weeks, Brian Carrick, Nikki Campbell, Wendy Kraus. Standing: Billy Cannon, Don Humphreys, Leif Ericsson, Kevin Scott, Steve Kessler, Abby McNeal, Peter Ersts.

Mr. McNeal was the coach of the tennis team.

Left: Adam Filbert grimaces as he returns the ball. Adam was one of the seniors that played on the tennis team throughout the year.

Above: Jennifer Jackson shows the perfect backhand as she returns the ball back to her opponent.

Jenny Gick seems surprised as she jumps to return a serve. Indeed, she appears to be in control of her game.

One, Two, Three Strikes, You're Out

Mr. Kenney was the coach of the girl's softball team.

Left: And it's batter-up. With determination and skill that comes from many hours of practice, this Lady Lion will surely get a hit.

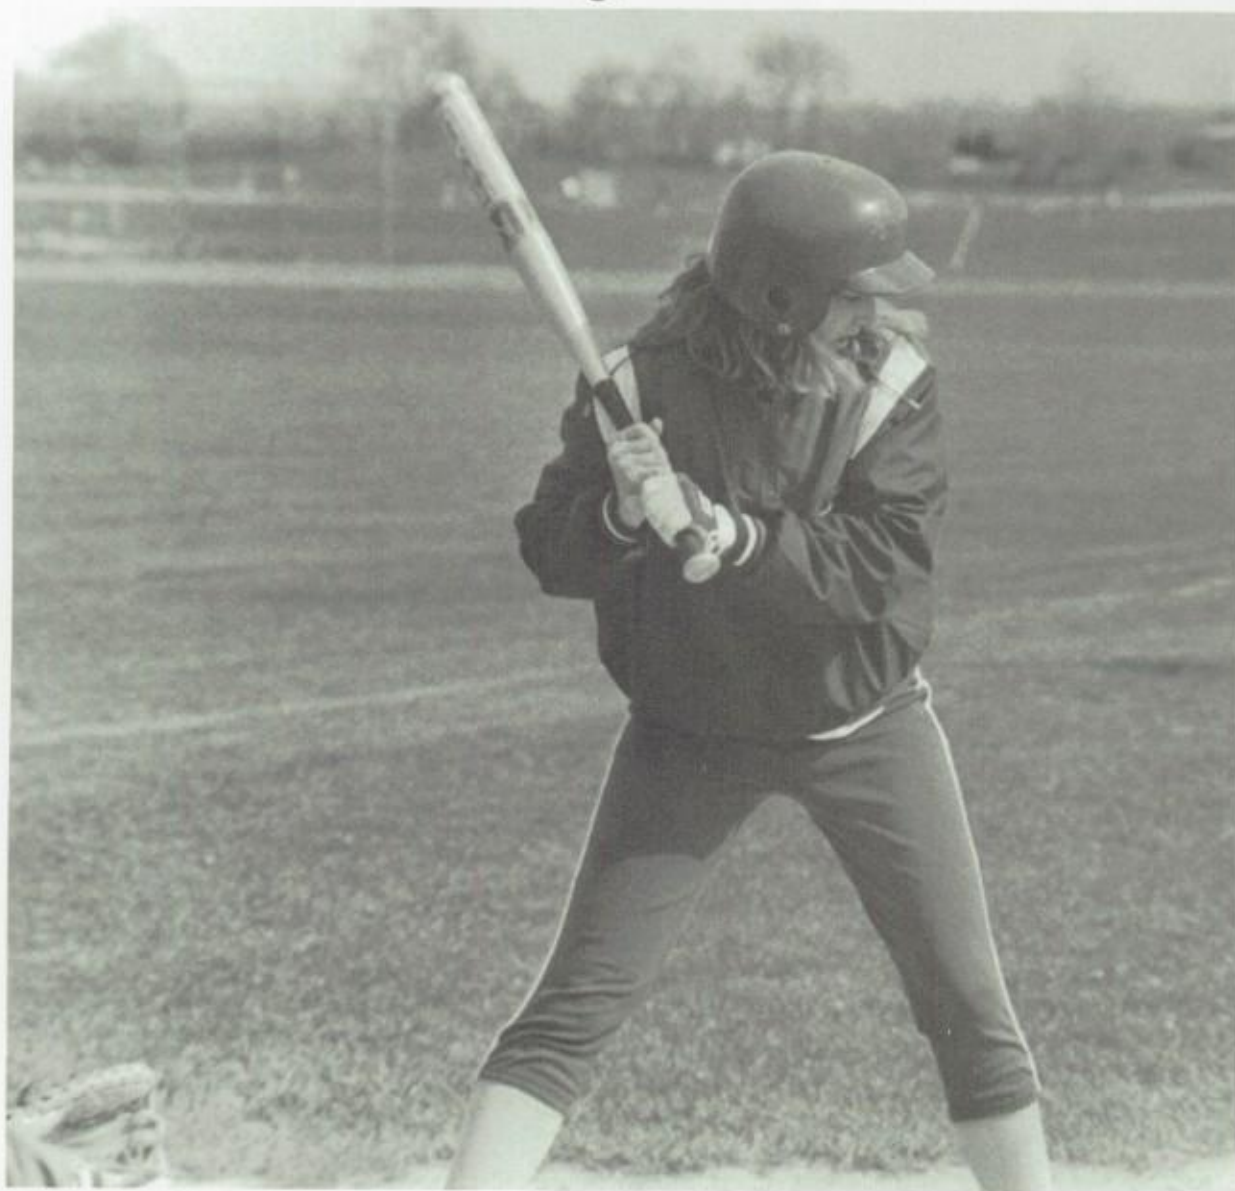

Above: Check out this stance, as the pitcher of the mighty Lions softball team prepares to slam this ball across home plate for another strike.

Left: Seen from the angle of the camera, the release of the pitch seems to suspend in mid-air.

Play Ball

Above: Concentration shows as the batter adjusts her position at home plate.

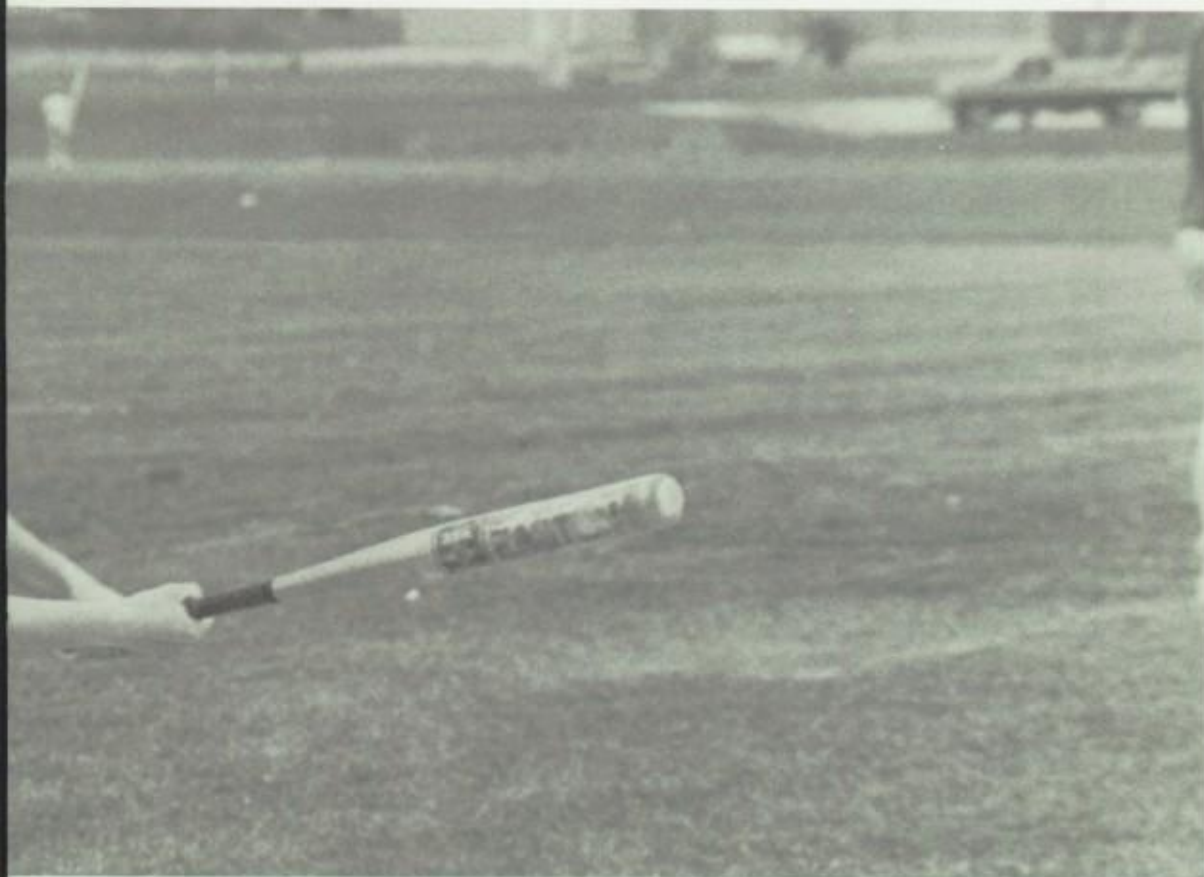

Right: It's mine! With glove up and in position, this is going to be another easy out.

Left: The bat is in line perfectly for this pitch. It looks like this will be an easy hit and a possible home run.

Below: With a swing that could tear the cover off the ball, this batter is about to let loose with a powerful surge.

Left: Too bad, this one got by you. However, not too many slipped by the Lady Lions softball team this year.

Girl's — 'Keep on Trackin'

Mrs. Gloristeen Pinckett was the coach of the girl's track team. Her many years of experience helped the team considerably.

Hey! Look guys, it's me. Jenny Scott is extremely happy to be on the track team. She proves that she has great endurance.

With the look of determination and concentration, this runner surely will win.

Tracy Baynard was a regular on both the track team in the spring and the cross country team in the fall. She also devoted her efforts to the indoor track team during the winter months. Best of luck to this graduate.

It's a constant struggle to keep in shape for the track events. Stretching exercises, sit-ups, etc. help to keep the track team members in condition throughout the year.

If it's track season, then what am I doing here. Keeping in top condition is a year round job.

Cubs At Bat — J.V. Baseball

Standing: Coach Ifunat, Brian Mackey, Marcus Wood, Brock McPeters, Mac Davis, Mike Jordan, Steve Usilton, Montrel Fisher, Richard Morris. Kneeling: Phillip Marshner, Frank Updike, Sean Rosebrock, Larry Kynson, Daniel Ward, Mike Roubaugh, Chris Sewell.

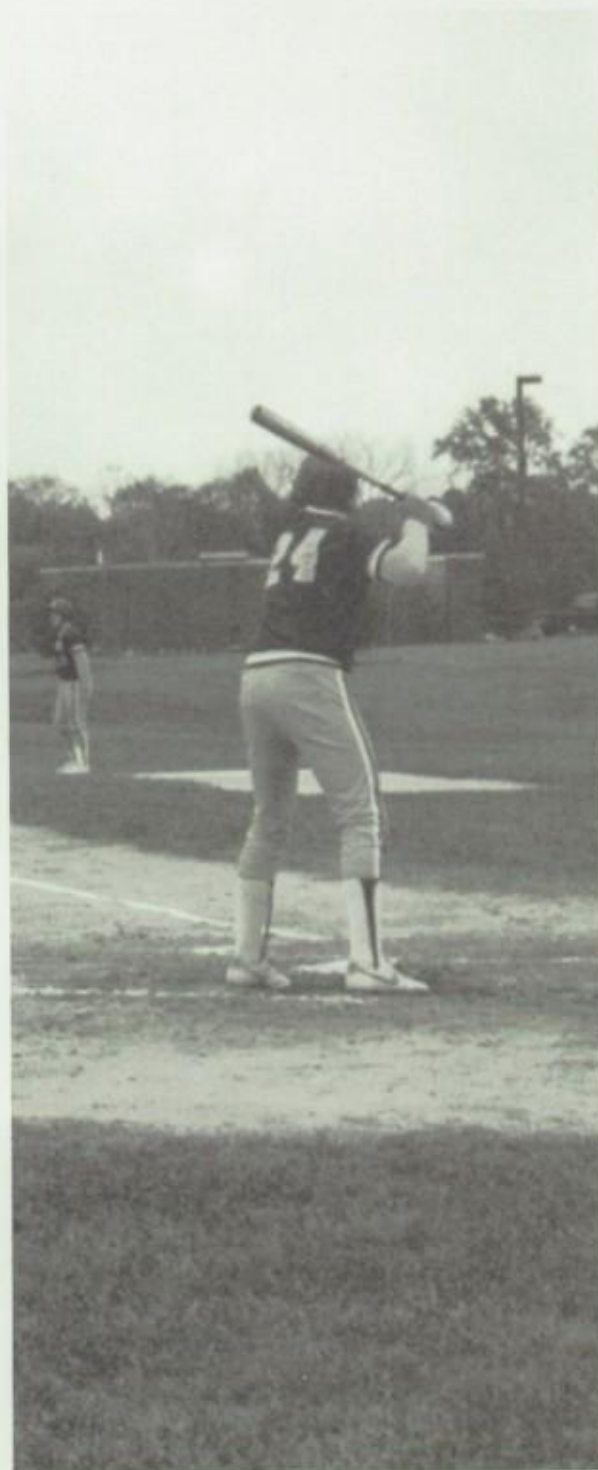

The J.V. Baseball team had a strong season posting nine wins and two losses. Mike Rorabaugh's pitching won five games, with only two losses. Leading the team in hitting was Sean Rosebrock with an average of .607. Others hitting over .333 were Brock McPeters, Mike Jordan, Frank Updike, Aaron Jones and Dan Ward.

Ready and waiting for the ball is Billy Barnes. He was part of the outstanding team of J.V. baseball players that the school had this year.

Above: At bat is the next Lion's hitter. With the great hitting of the season, the team finished with a 9-2 record.

Several of the team members pose for this shot before one of their games. Many of the team members will go on to play on the varsity team next year. Good luck.

Standing: Kim George, Jennifer Kraemer, Joyce Burgess, Diane Coyle, Jessica Shepard, Kim Cothran, Marla Westen, Kim Tasker. Sitting: Penny Woolfred, Carrie Coppage, Alissa Jones, Jennifer Crockett.

J. V. Softball

Mrs. Fabri was this year's coach of the J.V. softball team.

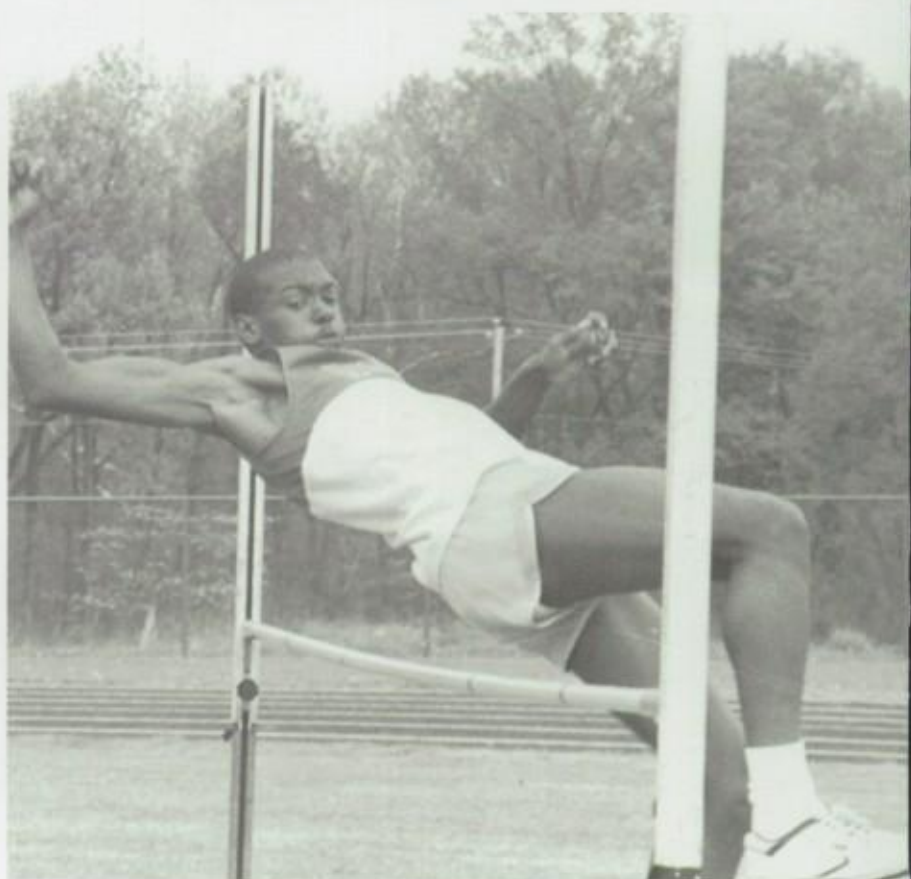

This year the J.V. Softball team scored 99 runs against the opposition's 105. Although several games were rained out, the team proved to be a hard working one. The captains were Diane Coyle, Jessica Shepard, and Erin Sutherland. Stats were compiled by Tracy Hanbury and the team's most valuable player was Kerri Coppage.

The class officers are: Heather Pitz, Historian; Jenny Gick, Treasurer; Gina Young, Secretary; Bobbie Sue Burgess, President; and Billy Barnes, Vice-President.

Class of 1990

The juniors enjoyed a successful year despite a few minor setbacks. They placed second in the Homecoming float competition, followed with a second place in the class play competition. The class also worked hard to contribute to the canned food drive.

This year the junior class initiated a new tradition, a Class Ring Breakfast. The members of the class received their class rings in a special presentation ceremony and breakfast. The rings were a symbol that the students were finally upperclassmen.

The juniors jointly sponsored the Christmas Dance and then immediately went to work on the major event of the school year, the Junior-Senior Prom. This year's prom with the theme of Medieval Masquerade was enjoyed by all who attended. As one fundraiser for this event, the class sold class keepsake keychains.

The officers wish to thank the class advisors, workers and sponsors. We anxiously await our reign as seniors.

As Shonte and Woo walk to class he whispers, "come on honey, let's go."

Gideon Baker and Michelle Beavers show us how much fun they're having in Spanish class.

Dina Hutchinson and Dana Hall think it is a good time to blow this joint!

You can tell it's spring when you hear the sound of hammering, paint brushes swishing, trucks hauling plants and shrubbery . . . wait a minute . . . what has this got to do with spring? Well, it is time for the annual Junior-Senior Prom at Queen Anne's County High School.

Each year the junior class "invites" the senior class to attend the prom. It is the duty of the junior class to transform the lobby of the school into a beautiful creation of someone's dream according to the theme that was specially chosen for that year. Although work on the construction details begins during the winter months, it is the last minute rush in the spring that finalizes the decorations for the theme of the event. This year's theme was Medieval Masquerade. The lobby was decorated as though it was a village in the dark ages. Various shops and taverns were created to enhance the theme. A castle loomed against one full wall of the immense room. After entering through a dark, yet romantic cave, the visitors to the dance walked hand in hand through a medieval garden, where one could almost expect to find knights and their ladies parading. It was a spectacular event.

Chosen by vote of the students as Prom King and Queen were Don Humphreys and Debbie Kurtz.

Spring

The Student Government Association tried a new venture this year with an assembly entitled the Spring Fling. Each class allowed students to sign up to compete in several categories and events. Featured were such competitions as the egg toss, the three legged race, volleyball, tug-of-war, balloon push, and weightlifting. Although the class spirit of competition was strong, the fun had by all involved proved to be stronger.

The seniors proved to be the overall winners of the several competitions as expected. This event helped the seniors to win the most spirited class award given out at the end of the school year. Best of luck to future classes as they struggle to improve on their records next year.

Right: Each class put forth a volleyball team to compete against the other classes.

The three legged race is more difficult than it looks. Trying here are Brent Thomas and Gary Wilmer.

Center Picture: The juniors are hard at work trying to win the tug of war contest.

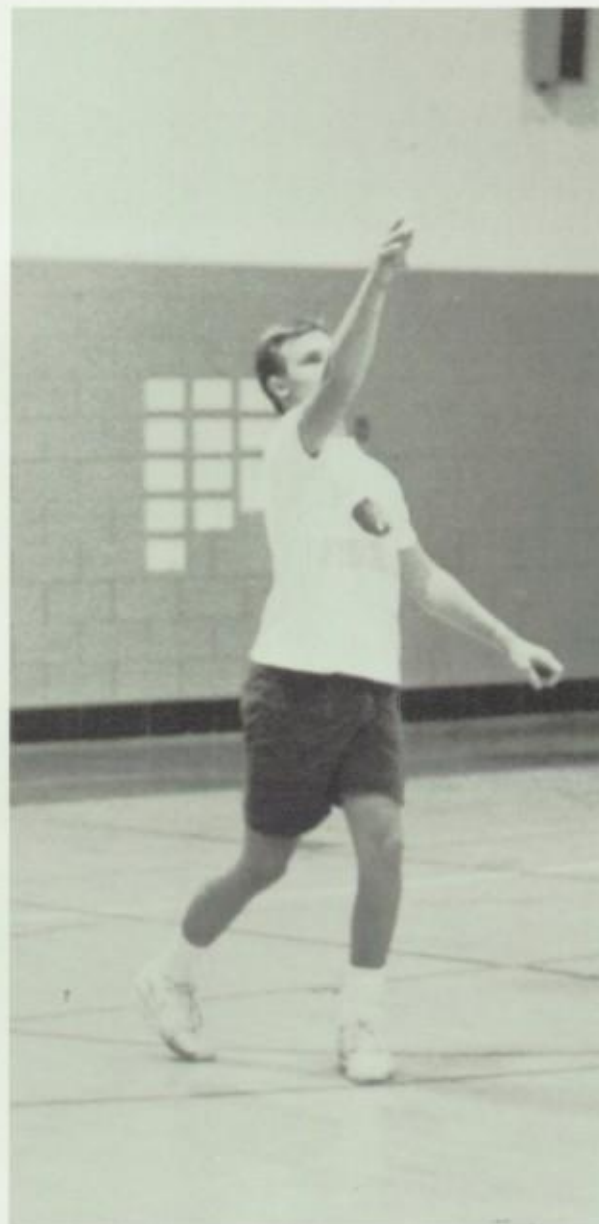

Bottom Picture: It is the seniors' turn now. Each class tried to out do the other in the pulling competition.

Fling

Of course, the job of the side-line cheerleader is one that should never be overlooked. Here we have Daria Friel and Tricia Middleton.

Below: Ray Bergman participated in the egg toss. From the position of his arm, one can predict that this egg is now scrambled.

...ding on those dollies wasn't so difficult. It's was when they ed to play basketball that it got hard.

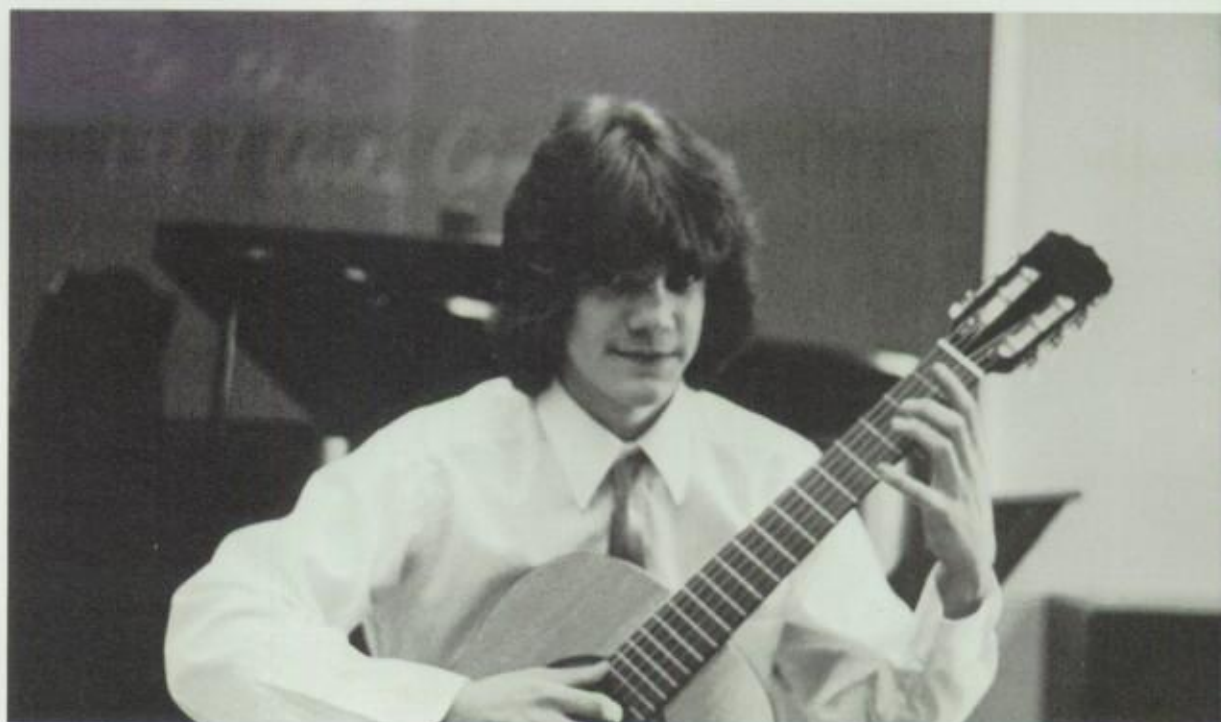

Try to hit the little balloon with that rubber ball. Come on you can do it.

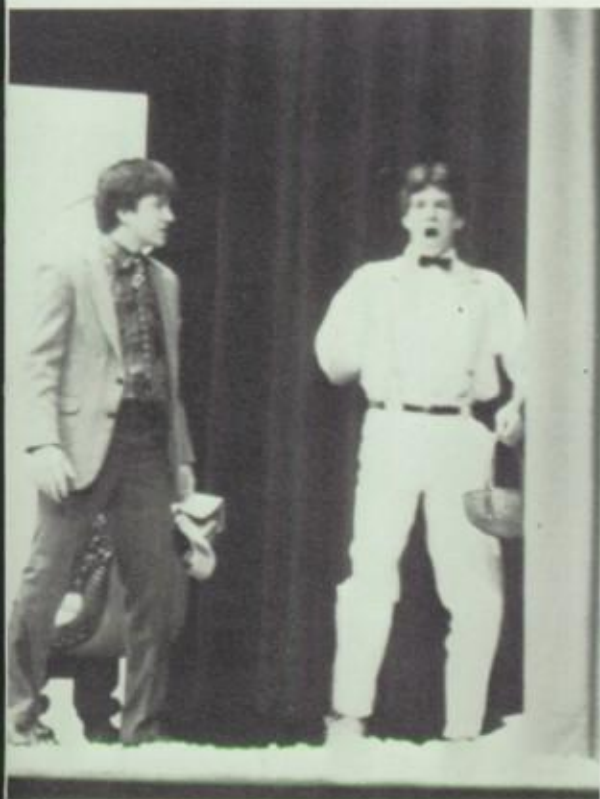

Here we see the result of one very messy egg toss. Better luck next time.

The Class of 1989 has accomplished every goal they had set for themselves. We won first place in the Homecoming Float Competition with our float "Raisin' the Roof." Next, we won the class play competition with the play "The scheme of the Driftless Shifter." Seniors Buddy Klepper and Myra Orem captured best actor and actress respectively.

Now as graduation rapidly approaches, preparation for the ceremony intensifies. The seniors want to especially thank their three class advisors: Mrs. Lloyd, Mrs. Boone, and Mr. Clark.

The Pride Of The Eastern Shore

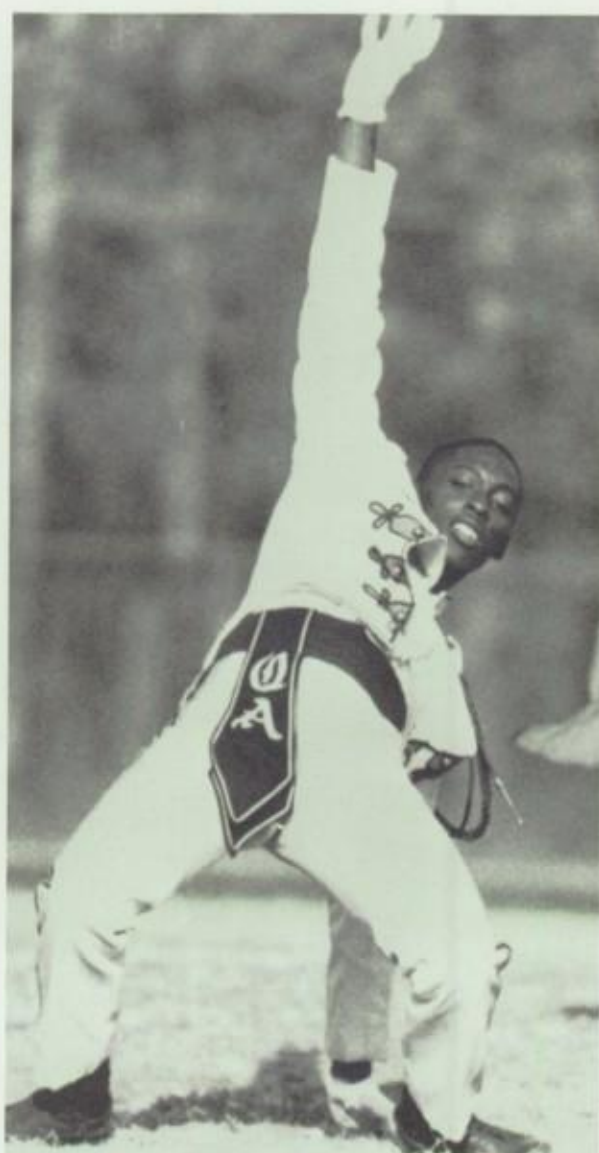

Above: The trumpet section blows their horns.

Center: The clarinet section is never winded.

Above: Relaxing are the flutes and piccolos.

Center: Marching to the beat is the drum section.

The lonely members of the xylophone section are poised and ready to play.

The band is always a feature attraction in the annual homecoming parade.

Top Left: Sassy saxophones.

Top Center: Drum Major, Spencer Wilder.

Top Right: The big brases.

Left: Senior members of the band.

Under band director Mr. Reid and drum major Spencer Wilder III, the QACHS Band flourished this year. Other key officers responsible for the success of the band were Tracey Baynard, Patty Crankshaw, Valerie Riley, Leigh Kirby, and Abby McNeal.

The band participated in competitions at Great Mills, Severna Park and Smyrna. They also competed in the State Championships at Memorial Stadium as well as the Chapter Nine Championships in Elkton. The band finished sixth at Great Mills, third at Elkton, and as finalists in both states and the Chapter Nine Championships. The percussion section was awarded the silver medal at Chapter Nine Championships.

The community also benefited from the band's dedication. This group marched in the Centreville Christmas Parade, the Centreville Fireman Parade. In addition to this, the band also presented their annual Christmas and Spring Concert. A new addition to their already full schedule was the Ocean City Concert this May.

Mr. Reid is extremely optimistic for the year as there are fifty-six incoming members. In addition to field shows, marching competitions, parades, and concerts, a trip is being planned. Fortunately, many fine musicians have emerged this year to provide pride and leadership to next year's program.

The homecoming parade is usually the first time the home crowd gets a look at the band.

Below: Part of the job of the band is to attend all home games and provide spirit in the form of fight songs and general noise.

Above: Spencer Wilder provided great leadership to the band along with new methods of leading the group.

Center: The brass section, often the loudest part of the band is seen in the homecoming parade.

Above: The official band portrait is taken in front of the announcement board at the high school.

Center: The band could be counted on to give an attractive and talented halftime show.

Leading The Pack — The Band Front

Above: The Pride of the Eastern Shore is always led into parades by the bandfront.

Center: This view of the bandfront was during the homecoming parade. The flag and banner group practice many hours to present a dignified appearance.

Above: This picture of the bandfront is a close view of the flag carriers. During the halftime show, the carriers perform feats and tricks that dazzle. The band would not seem complete unless the official banner was held in front of the group during parades and shows.

With a Song in Our Hearts

Back Row: Michael Cruikshank, James Tepfenhart, Jesse Hammock, Desi Harmon, Doug Davis, Gary Sparks. 3rd Row: Leslie Cooley, Stacy Tasker, Jennie Wicker, Kate Robinson, Louisa Bennett, Tamara Tar Arthur Jones, David Freeman, James Bowman, Anthony Reed, Lori Justis, Heather Coursey, Katie Green, Julie Price, Betsy Marchi, Jemima LaClair. 2nd Row: Lori Holland, Danielle Powell, Tracy Linder, Am Chance, Wendy Kraus, John Dixon, Brock McPeters, Chris Everett, Teresa Dodd, Jennifer Crockett, Norma Eaton, Beth Morgan, Tammy McGuire, Betsy Choyce, Tiffany Cann. 1st Row: Retashia Cornish, La Jackson, Jennifer McGuire, Dawn Larrimore, Jennie Cottrani, Catherine Murphy, Teresa Mullikin, Alicia Archer, Catheryne Kidwell, Lori Severson, Aurora Pinder, Kim George, Susan Murphy, Jenna Dawkins, Lisa DiFatta, Donna Crane.

Our annual Christmas concert was given by the QACHS Choir and Band.

The advisor of the QACHS choir and Madrigals, Mrs. Nancy Cook.

Mrs. Cook gives the choir their cue as to what song to sing next.

CHOIR

The Queen Anne's County High School Choir has been mostly an extracurricular organization this year. In order to be eligible to participate in the choral festivals and other performances, students must attend after school practices in addition to the class. John Dixon was elected as President of Choir for the 1988-1989 school year.

The QACHS Choir received an overall A rating at the Eastern Shore Choral Festival held in April. The Spring Concert, which featured music from the musical, *Okla-toma*, was held in late spring. At this performance, the Senior Choir members were recognized.

The Choir also worked in conjunction with the band this year. Together they presented the annual Christmas program plus a program of music at Ocean City this May.

Catherine Cothran and Michael Cruikshank were chosen to attend the East Coast Division Conference of Music Educators National Conference. Members of the Maryland All State Chorus, held in Ocean City in February, included Catherine Cothran, Michael Cruikshank, Betsy Marchi, Dawn Larrimore, Christopher Everett, and David Freeman. In November, the following students were selected to the Eastern Shore All Shore Chorus at North Dorchester: Chris Everett, Michael Cruikshank, Catherine Murphy, Betsy Marchi, Catherine Cothran, David Freeman, John Dixon, and Dawn Larrimore.

The Choir makes their exit as they finish singing their set of songs.

Mrs. Cook introduces songs the choir will be singing at the concert.

The singers wait patiently as Mrs. Cook takes attendance to see who's missing.

The Choir's Homecoming float was "Lions Versus Patriots."

"Please don't take my picture like this!"

Now is this a cool dude Santa, or what?

"Oh no you're not getting away that easily!"

Amy and David are all settled down for a long winter's nap.

"A Merry Christmas to all and to all a goodnight!"

"Amy, did you hear something? Amy, wake up!!"

"Yes, David there really is a Santa Claus!"

MADRIGALS

The Madrigal Singers is an extracurricular activity which meets every Friday afternoon. The organization is composed of eleven singers who were selected by audition.

The singers performed at many community and civic organizations throughout the year. From this choral group, many students were selected to attend the state and regional choruses.

Members are: SOPRANO — Betsy Marchi, Dawn Larrimore, and Catherine Murphy

ALTO — Amy Chance, Catherine Cothran, Lorraine Holland, Alicia Archer

TENOR — Christopher Everett, David Freeman

BASS — John Dixon, Michael Cruikshank

Beth, surprise we got you again!!

Nice pose Nicole, but where are your layouts?

Donya Brown, Editor-in-Chief

The yearbook staff has found that life can be quite complicated at times. There always seems to be a dozen things to do at the same time. With organizing senior and underclass pictures, creating layouts, planning for the yearbook dance, taking pictures and designing the book, confusion often reigns. But there is a method to the madness and the result is the annual publication of *The Pride*.

This year the yearbook staff had the advantage of having a yearbook class during second period. This class consisted of 12 students who worked to put the book together. The editor-in-chief was Donya Brown. The assistant editors were Jennifer Landon — Layout Editor, Conci Pope — Copy Editor and Jennifer Kniceley — Photography Editor. Special thanks goes to the diligent students who went beyond the call of duty to put the book together. They were James Casey, Joe Welch, Cathy Riggs, Nicole Eason, and Lisa Redelius.

FUTURE BUSINESS LEADERS OF AMERICA

The FBLA organization has been preparing for their regional and state competitions. The group had a good showing at regionals as they are a small yet committed group. The Regional results were comprised of the following events and students:

ACCOUNTING — 1st Arthur Jones

5th Anthony Dowd

SHORTHAND I — 3rd Erica Gould

MACHINE MANUSCRIPT — 4th Bobbi Gates

KEYBOARD APPLICATIONS I — 4th John Winchester

KEYBOARD APPLICATIONS II — 6th Kenda Timms

JOB INTERVIEW — 4th Esther Kelley

The State competition was held at Hagerstown, on April 4, 5, and 6. Arthur Jones will represent Region 5 as well as QACHS at this conference for Accounting.

Advisors for FBLA in the 1988-1989 school year are Mr. Willis and Mr. Macy.

S.G.A.

The S.G.A. has sponsored many activities for the students throughout the year. Starting in October, the S.G.A. organized Homecoming which included the crowning assembly, pep rally, parade, dance, and spirit week. During Thanksgiving, the individual classes competed in the canned food drive. Christmas brought the annual door decorating contest along with a visit to all classes by Santa and his helpers. In February, the school participated in a school computer data match. The Sadie Hawkins Valentine's Dance was also sponsored by the S.G.A. organization. The donkey basketball and the Naval Academy Electric Brigade were two other large projects the S.G.A. delivered.

Individual class representatives were largely responsible for the completion of these tasks. These representatives were the unsung heroes who worked diligently to ensure success. Mr. Thren served as advisor to this dedicated group while the executive positions were as follows:

President — Jennifer Boone
Vice-President — Amy Nelson
Second Vice-President — Joy Johnson
Corresponding Secretary — Jenny Slater
Recording Secretary — Jennifer Leonard
Treasurer — Kristi Barnette
Parliamentarian — Jeff Leigh

Jennifer Boone was the president of the Student Government Association and Kristi Barnette was the treasurer this year.

The ninth graders were well represented in the student government this year.

IT'S ACADEMIC

The It's Academic Club has enjoyed a productive year. The club started their season with a second place finish on the **It's Academic** T.V. Show. Team members were seniors Mark Kraft (captain), Marvin Carlin, and Jennifer Boone. During the Christmas season, the club traveled to Longwood Gardens in Pennsylvania. This spring, the club sponsored its first annual Trivial Pursuit Tournament. Congratulations are extended to the winning team of Lori Thomas and Andy Seth.

The officers for the 1988-89 school year were:

- President — Mark Kraft
- Treasurer — Anthony Dowd
- Secretary — Debbie Campbell
- Historian — Heather Pitz

Finally, the club would like to thank their advisors, Mrs. Hickey and Mrs. Romanosky, for their time and support.

CHESS CLUB

The Chess Team enjoyed a very successful season in the Eastern Shore League this school year. However, the culmination of their dedication was apparent in their phenomenal tournament at the Maryland Scholastic Chess Championships. The team earned eleven and a half points out of a possible twenty which earned the Queen Anne's team third place in the states. Chess Coach George Ickes stated that no school from the Eastern Shore has ever placed in the top three at states.

Alan Bachman was the key player in the club all season. In states, he played the top board and eventually finished sixth out of sixty-five competitors. Ben Ellingsworth, Chris Price, and Jeff Kimble also experienced remarkable playing results at states. At the close of the tournament, the three had combined to attain a seven and a half score which boosted the team to its third place finish. John Peregoy and Jason Strange were also invaluable members to this chess club.

Junior, Alan Bachman was the key player in the Chess Club this year.

FRENCH CLUB

The French Club is a small but dedicated group of students who have enjoyed numerous eating, as well as cooking experiences. These afternoon encounters have caused members to develop a "gourmet" appreciation for French Cuisine.

The goal of the French Club for the upcoming year is to encourage more students to participate. The advisor, Mrs. Lynch, plans to expand horizons by attending plays and concerts. These educational field trips will hopefully add to the cultural insight of the students.

Members of the French Club were: Front Row: Jenny Gick, Kelly Bartenfelder, Mike McConnell. Back Row: Loretta Chilcoat, Melinda Wight, Melissa Chalupa, Julie Wight.

Future Farmers

The citrus sale is one of the major fundraisers for the FFA.

This year's theme for the FFA float in the Homecoming parade was "You can run, but you can't hide."

Future Farmers of America

The Queen Anne's County High School Chapter of the F.F.A. has been very active this school year. The organization's executive positions are as follows: President — Ben Coppage, Vice-President — Temple Rhodes, Secretary — Jamie Hall, Treasurer — Mitch Quillen, Reporter — Russell Dean, Sentinel — Doug Benner, and Chaplain — Danny Price. Teri Dodd was named the Chapter Sweetheart for 1988-1989.

The Chapter eagerly anticipated the spring judging contests at the University of Maryland in addition to the planting of crops, and the care of livestock at the school farm. The County Fair and Tractor Driving Contest are also included in the busy agenda.

On November 6, 1988, Queen Anne's was named as the top F.F.A. Dairy Team in the national contest in Louisville, Kentucky. Regionally, they placed First in Soil Judging, and Third at the State level. The organization also clinched Second Place in Parliamentary Procedure at the Skills Expo in addition to the First Place in Livestock Judging.

Overall, enrollment in F.F.A. is steadily increasing thus enabling the chapter to plan many more activities. Over 500 people were in attendance at the F.F.A. Open House on February 22, 1989. The success of the F.F.A. can be attributed to the dedication of all the members plus the hard work of its advisor — Mr. David Tribett.

The volume of the citrus sale increases each year.

STUDENT LITERACY CORPS

The Student Literacy Corps is a new organization that has been developed to promote literacy in our community. The Literacy Corps members are involved in many activities in the community as well as in the school. The students are involved in "Lions Tale," a literacy magazine which publishes works of literature submitted by the students in the high school. Another group of students tell stories to daycare children while others travel to Centreville Elementary to help School-Aged children to publish their books. The last activity in the Literacy Corps is the Story Troupe. The Story Troupe is a group of ten people who perform short plays for the daycare children. The Student Literacy Corps is very active in the community and is planning new and inventive ways to promote literacy in the community.

This year a new club formed at Queen Anne's County High School. This club was formed with the intention of giving support to those athletes that did not use drugs or alcohol. Since several groups formed in the school to promote the abstinence from drug use, it can sometimes get confusing as to what group is responsible for what activities. This group is composed solely of athletes. Their main goal is to promote the idea that one can be a good athlete without the use of drugs or alcohol.

One of the main news stories during the 1989 school year was the use of steroids by athletes. With the help of groups such as Winning on Wellness, the dangers of using this and other harmful drugs has become apparent. Good luck to this group and we hope to hear more from you in the future.

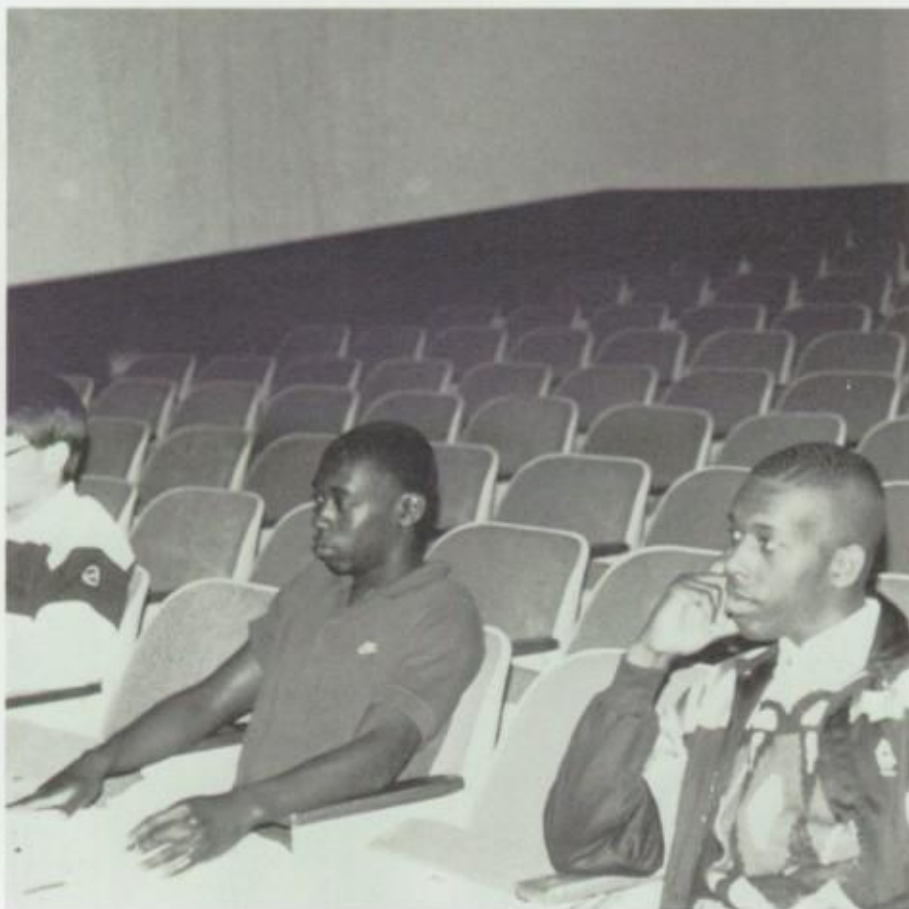

Winning on Wellness

Mrs. Davidson lends her help and support to this fine group of athletes who participate in the program.

Jarvis Cain, Nugget, Cornell Thomas and Michael Robinson listen closely to Mr. Cooper explain the program.

J. R. Skinner and Marlon Hynson are among the students who belong to Winning on Wellness.

Mr. Cooper, advisor to the new group, instructs the students on the purposes and goals.

This class of auto mechanics is learning that not everything is done in the shop area.

Why Does My Engine Go Tic, Tic Wheeze, Tic? Auto Mechanics

What is one area that most adults wish they knew more about? — auto mechanics. With the rapid advances being made in the technological areas of motorized vehicles, the average adult barely knows enough about the operation of his car to keep it running. When serious trouble arises and that knocking, wheezing, coughing sound begins to erupt from the bowels of the internal combustion contraption, most people simply pray that their friendly auto mechanic will fine tune or adjust some do-hickey to make the car operational again. For their time and trouble, we hope to receive only a minor fee. Mechanics of the world — unite!!! People are at your mercy. In reality, they will pay any price, bear any burden and give blood, sweat and tears in order to remain on the road.

Repairs to a motorcycle? This is supposed to be auto mechanics, not motorcycle repair.

Mr. Sterling Mock is the instructor in the area of farm power mechanics.

Small engine repair is an important part of the overall field of mechanics.

Another busy day is spent in the classroom of the auto shop. Reactions vary as it's time for the class to begin.

It's blood pressure time. Hospital work is part of the curriculum of nursing.

Future Florence Nightingales

Work in the pediatrics ward is the best assignment in the hospital.

Constant checking is a requirement when I.V. fluids become part of the routine for patient care.

Congratulations goes to future nurses as they complete their requirements and graduate as LPN's.

The entire group of future nurses is shown in this photo. The ages range from ninth grade through adults. Each year, the senior students graduate in a special ceremony after they complete all course requirements and pass the state examinations.

FNA

Making the rounds, one must check all patient's charts.

Throughout the year, Future Nurses of America have worked hard. The students learn a great deal from what this unique program has to offer. The Students were required to participate in work periods at local hospitals. There, they were considered hospital personnel and were required to wear their uniforms while on duty. At the same time, participants discovered that hours of paperwork are an integral part of each nursing day.

The course of study for nursing students included Anatomy, Physiology, Pharmacology. Students also had to learn the steps, procedures, and execution of cardiopulmonary resuscitation. The grading criteria for this course is that every student must maintain at least a seventy-five percent grade point average.

This program has been extremely beneficial to those involved.

Ok, I have one second for you to take this picture, then it's back to work.

Shannon Cissel is seen in the office of the nursing station.

Celebrating the end of their required time are several future nurses.

Child Care

The child care classes operate a full service day care center. Students who are in the child care classes learn how to operate the center, organize activities and manage a full service day care.

1989 was a very successful year. Our senior class consisting of Barbara Burris, India Dixon, Stacie Elborn, Stacy Hummel and Kim McKenzie, worked with nine small pupils in the laboratory nursery school. Six children were going to kindergarten so we emphasized counting, recognizing their name, more/less, shapes, colors, sequencing, and small motor skills. All these basic skills will prepare them for writing and thinking in school. Working with the preschoolers is the fun part of the week!

We travelled to a large day care center in Annapolis to see day care in operation. It was surprising how little supervision they can give compared with our preschool.

Finally, Kim and Stacy went to the Occupational Skills Expo at Chesapeake College and won first and second place against girls from two other schools. Now we have proof that QACHS Child Care program is number 1! Our course is open to ALL juniors and seniors who want to learn more about working with children.

Part of the activities includes snack time for the kiddies.

Mrs. Orrison is the teacher of the child care classes. She teaches Theory of Development, Reading, Math and Science Readiness. Play time is divided into three areas, manipulative play, dramatic play, and library play. Twelfth grade students take this course for two periods a day.

Keeping Up

Americans have become the most style conscious of any society on this planet. We annually spent billions of dollars in order to keep our hair, clothes, and general appearance in agreement with the latest fashions that have descended upon us. Then, with a total lack of diplomacy, we orally abuse the fashion experts as subhuman creatures.

Cosmetologists have become used to the whims of our society. They continually update their fashion ideas. They are experts in dealing with the psychological needs of their clients. As we whine and complain about our personal shortcomings, they convince us they we indeed will look like the latest movie or rock star after their special three hour treatment and styling. They cut our hair, style it, paint our nails, groom and manicure, give facials and provide us with all the latest creams and gels that are guaranteed to take that ten years off of our faces. Americans don't complain about the inconveniences however, because any amount of suffering is worth the final result. As we look into that mirror, we marvel at the wonders that have been sculpted by the fantastic cosmetologist.

Before students are allowed to try out their talents with people, experimenting is done on the wigs. Different styles are tested out to see if they are appealing.

Busy as beavers, cosmetology students are always hard at work.

With The Latest Styles

Finally, we've graduated to working on a real head of hair. Oops, I just chopped off four inches back here.

SHORE LION

The Shore Lion published four newspapers this year including their annual editions of valentine wishes and Senior Last Wills and Testaments. Leading this small yet enthusiastic staff were Editor in Chief, Sandi Clark, and Assistant to the Editor, Beth Morgan. The business department also provided extensive assistance in the printing of the paper.

The advisor of the Shore Lion, Mrs. Lynch, hopes to attend workshops in the future concerning the production of newspapers. In addition to this, she and the staff are planning to share and discuss concerns and problems with other local newspaper organizations. Finally, the staff hopes to expand in the coming year by incorporating the writing talent that abounds in the school. Consequently, an increased staff will enable more newspapers to be published.

Students Who Care

WE ARE THE STUDENTS WHO CARE!

We believe we need to make the parents, students, and the entire community aware of our drug and alcohol problems.

As a voluntary student committee we believe we can make a difference in putting a stop to the abuse of drugs and alcohol in our school system.

Through our student committee we hope to restore the spirit and become once again the **"PRIDE OF THE EASTERN SHORE!"**

The Pride's Editors

Editor-in-chief

Taking the job of Editor-in-chief was the best decision that I could have made. This job is not like any other job. It requires a lot of hard work, responsibility, and concern. I have worked on the yearbook staff for two years and I wish I had started in the 9th grade. At first you think that you can't handle it but as the year progresses you know that you can handle it. I loved the idea of leadership and making deadlines. Working on the yearbook staff isn't as easy as people think. I encourage the student body to get involved and stay involved. The yearbook is only what you, the students make it. Believe me you can make the difference.

Before I leave, I would like to give special thanks to the 2nd period yearbook class because without all your time and effort this book would not be a success. Also, I would like to say thanks to my editors.

Signing Off,
Donya Brown

I would like to take this time and space to thank everyone for all the effort and time involved in putting this book together. As Co-Editor and a member of the staff for three years I would like to thank Mr. Fowler for all of his guidance! My only regret is that I didn't get involved with the Pride in ninth grade! I wish the new staff all the fun and excitement that I have had creating the book. GOOD LUCK!

Love Always and Strive
For the Best,

In the past I have had to deal with a lot of responsibilities. Being Photography Editor is by far the greatest responsibility I took on this year. I didn't realize how hard it would be to get pictures in on time so we could have interesting layouts and a productive yearbook. I've tried to do the best job I can so not only me but everyone at Q.A.C.H.S. can look back in their yearbooks many years from now and remember all of the great times we had. I want to wish everyone on the future yearbook staff good luck on the '90 yearbook. I would like to thank everyone because you are the people who make the yearbook such a success. I would also like to thank Mr. Fowler for giving me support when I really needed it, and just being a fantastic advisor! Good Luck to everyone, I wish you the best!

The job of the copy editor is to compile the statistics and accomplishments of the school sports teams and clubs. Once the information is obtained, an interesting yet concise story is to be written. Other tasks of the copy editor include writing/editing the introductory theme page in addition to the various other stories that appear throughout the yearbook. Persistence and patience are two integral characteristics of a copy editor. Hopefully, these two virtues have combined to produce interesting articles in this edition of THE PRIDE.
